Agreeable to and order of the worshipful Court of Super County made the 3rd day of August 1813. we have carefully examined the annexed accounts of William Mills guardian to the orphan of Thomas Dunn dec^d and as far as vouchers was produced have made them off, and find them correct; the situation of the orphan being such it would be almost impracticable to have vouchers for every item in the account, we are therefore of opinion the other charges are reasonable and correct and the accounts justly stated. Given under our hands this 4th day of October 1813.
