In compliance with a former Order of Sussex Court and also with a subsequent Order of said Court bearing date August Court 1793 We the Subscribers have audited the Account Current of Drury Clanton Dec^d as stated by Nathaniel Holt surviving executor of said Drury and Michael Bailey one of the execs of John Clanton dec^d who was also one of the execs of Drury. We find proper Vouchers to support most of the principal charges in said Account. It also appears that the sales of the personal Estate of

314

of said Pruevy amounted to only £ 6.8 And that
 the Amount of Debts collected which were due to the
 intestates are very in considerable But ^{that} the Ex. cutors by
 hiring out the Negroes have been enabled to pay demands
 against the said estates to Amount of £ 544.13.4½
 and to apply £ 116.7.9½ to the support and Maintenance
 of the Orphans as Appears from the Debts paid Sarah
 Clanton their Guardian it also appears that there is
 a Judgment due the estate from Nathl. Newsom &
 Gray Jenkins of £ 70.1 which the Ex. cutors have charged
 to the estate as being insolvent UPON the whole it
 Appears to the Auditors that the account is fairly
