At a Court held for Superior County the 1st day of February 1810 —

A paper purporting to be the last will and Testament of Micajah Hines was
presented unto Court for proof, whereupon sundry Witnesses were sworn and
examined respecting the same & it was Benjamin Peto who deposed that he was
sent for by the connections of Micajah Hines on January the 16th last past

June	1810	22	By Balance due this day.	212	16	11 3/4

Agreeable to an order of Superior County Court to me made, we have audited the account current of David Jones Esr. Exhibited to us by Abraham Jones and find a balance due the Estate of the afo. as stated of twelve pounds sixteen shillings & 11 3/4. In Examining this acc the vouchers shown to us do not appear to be authentic as such papers generally are, many of these papers are pieces of claims against the Estate without any receipts on them - we have designated them with a cross mark opposite them - we would also wish the Court to pay attention to the mode of calculating the interest - they will find that the interest is calculated at 5 per cent on each amt. up to the 1 May 1797 - and then at 6 per cent up to the 22nd June 1810 the day that the acc is balanced. - The commissions allowed in the acc we think ought to be revised as there is too Exors named in it as follows to Abraham Jones twenty five pounds 17 1/2 and the bal. or sixty pounds to Helius Jones Esr. - Given under our hands this 4th Sept 1810
