See Esq. Mr. James Westcomb - I gave my God son Thomas son to Fran-
 cise to our Randolph a cow calf long eared, is now become a cow with a calf by
 the Randolphs side, she is black and marked with a crop on both her ears two
 three marks slit in the left and for distinction from my mark she hath a hole
 and underbell in her right ear. If Francis Randolph will have the
 cow and her increase, recorded as a deed of gift from me I consent
 to it. So Your very humble servant
