LIST OF 8000 MEN WHO WERE PRISONERS ON BOARD THE OLD JERSEY
 PRINTED BY PERMISSION OF THE SOCIETY OF OLD BROOKLYNITES This list of
 names was copied from the papers of the British War Department. There is nothing to
 indicate what became of any of these prisoners, whether they died, escaped, or were
 exchanged. The list seems to have been carelessly kept, and is full of obvious mistakes
 in spelling the names. Yet it shall be given just as it is, except that the names are
 arranged differently, for easier reference. This list of prisoners is the only one that could
 be found in the British War Department. What became of the lists of prisoners on the
 many other prison ships, and prisons, used by the English in America, we do not know.
