Declaration of

Annon Wade in order to obtain

the benefit of the act of Congress of the 7th July 1838 entitled an act granting half pay and pensions to certain widows

State of North Carolina

Person County

On this the 3rd day of January One thousand eight hundred and forty three, personally appeared before me Clement B. Jordan a Justice of the Court of Pleas and Quarter Sessions in and for the County above named, Annon Wade a resident of said County aged ~~Seventy~~ ^{Twenty} two years last February, who being first duly sworn according to law doth on her oath make the following declaration in order to obtain the benefit of the provisions made by the act of Congress passed July 7th 1838 entitled an act granting half pay and pensions to certain widows: That she is the widow of Robert Wade late of the County of Person and formerly of the County of Halifax Virginia (who removed from the County of Halifax to the County of Person after the war) who was a lieutenant in the army, as she is in hopes to prove by the testimony of one of the soldiers who served with him, she is of opinion that he entitled for the whole war and has often heard him say he left the service without even getting the pay then due him or getting his discharge from the fact that he was off on a recruiting expedition, she thinks in North Carolina, when peace was made she is unable to specify the particular service that her said husband rendered or any battles except the battle of Guilford, but the facts in relation to battles officers - Commanding officers, with many incidents all going to prove his services she will be able to establish by other testimony. She further declares that she was married to the said Robert Wade on the 11th day of September 1789; that her husband the aforesaid Robert Wade died in October 1820; that she has not married to him prior to his leaving the service but that the marriage took place previous to the first of January 1796 viz; at the time above stated. Her said husband never drew a pension from the fact that he always said he had done nothing more for his Country than he ought to have done, and considered it a contradiction to demand it; but reverse of fortune has influenced this declarant to submit her just claims to the department. She has made other attempts but those who had the matter in hand heretofore have failed to sufficiently investigate the subject to elicit the proper testimony and thus the declarant has been kept from that remuneration to which she thinks herself justly entitled according to the act of Congress in such cases made and provided. She further states upon her oath that her husband died leaving nine children that she is now and ever has remained the widow of her said husband Robert Wade.

This declarant further states upon her oath that from old age and bodily infirmity she is not able to attend Court.

Sworn to and subscribed on the day and date as above written before:
