Madam:

I advise you from the papers in the Revolutionary War pension claim, W.6389, it appears that Isaac Wade enlisted, February 12, 1777, place not stated, served one year as a private in Captain George Lambert's Virginia Company and was in the battles of Brandywine and Germantown. He enlisted in August 1781, in the Bedford County Virginia Militia, was at the capture of Cornwallis and was discharged on that day.

Soldier married, in Bedford County, Virginia, February 11, 1779, Polly, who was the widow of Thomas Stevens. Her maiden name was Polly Gibbs.

Soldier died August 9, 1833.

His widow, Polly, was allowed pension on her application executed May 4, 1839, at which time she was seventy-eight years of age and was a resident of Bedford County, Virginia.

The oldest child of Isaac and Polly Wade was Jeremiah, who was born January 18, 1780.

This is the history of the only soldier from Virginia by the name of Isaac Wade that is found on the Revolutionary War records of this bureau.

In order to make a search of the records for other soldiers surnamed Wade, the first name is essential, and you should furnish as much as possible of the following data ; approximate dates of birth and death, places of residence at enlistment and after service and given name of widow.

Respectfully,

E. D. MORGAN
