At a Superior Court of Law continued and held for Bedford
County at the courthouse the 15th day of April 1818 before
Messrs. Daniel & Br. Hays
Jacob Wade came into the Court and made oath that
he served twelve months in the continental service of
the United States of America during the revolutionary
war that he was enlisted in this County under Capt
George Lambeth and belonged to the fourteenth Virginia
regiment in said continental service that to the best of
his recollection he enlisted in the year 1777 and that he
was honourably discharged and that from his reduced
circumstances in life he needs the assistance of his
Country for support that to the best of his knowledge
and belief the discharge he obtained on quitting the
army is lost or is not now in existence that he knows
of which was supported by the affidavit of Jesse Will of
this County who appeared in Court and made oath that
the said Jacob Wade was in the continental service of
the United States of America during the revolutionary
war that he belonged to Capt. George Lambeth's company
of the fourteenth Virginia regiment that he thinks the said
Wade served twelve months in the said service and believes
he was regularly and honourably discharged and that
from his reduced circumstances he thinks he needs
the assistance of his Country for support which is
ordered to be certified.
