

Mordecai Moore lived Anne Arundel Co., Md., his LWT dtd 9/2/1713, pvd 10/29/1721, "Practitioner in Physick and Chyrugery." To Deborah, Mary and Elizabeth, he left 400 pds. at ages of 21 or marriage. To kinsman, Mary Coleman and her heirs, he left plantation "Arran" in Prince George Co. Md. To Mordica, the son of Charles Burges; the children of his son-in-law, Charles Burges, viz: Francis Hanslop, Elizabeth Burgess and to William, Ursula, Mordica, Charles and Benjamin Burgess, five pds. To dau. in law, Susannah Mitchell and her children, Burges, Mordica, John and Henrietta Mitchell. To Mordecai Burgess, 200 acres called "Fortune". To John, the son of his dau., Susannah Mitchell, 100 acres, being part of "Fortune". Names son, Richard. Wife, Deborah.

The first wife of Mordecai Moore was Ursula Burgess, widow, her LWT dtd 11/11/1700, pvd 6/30/1702, Anne Arundel Co., Md., naming her dau., Susannah Mitchell, to whom she bequeathed 300 acres known as "Greenwood." Her husband, Mordecai Moore, to sell 500 acres "Westphalia" and to buy certain personalty to be delivered to Benjamin and Charles Burgess and her dau., Susannah Mitchell, and son, Richard Moore; also to Alice Withers, personalty. From book, Across the Years in Prince George County by Effie Gwynn Bowie, P. 689:

"8/10/1704, Whereas, George Yate, late of said county and his wife, Mary, in an indenture of grant and sale of said tract of land of 11/23/1687, did for divers considerations, grant, sell and confirm to Ursula Burgess, then widow and since wife to said Mordecai Moore, now deceased [Ursula now deceased], all that tract or parcel of land in Westphalia, lying in the then Calvert County, now Prince George County, Maryland, on ye west side of main branch of Dividing Creek of Patuxent...500 acres. To hold to said Ursula Burgess...and whereas, afterwards the 17th November 1700, ye said Ursula Burgess...and whereas, the wife of Mordecai Moore, did make her Last Will and Testament in which she devised that said Mordecai Moore might dispose of...Westphalia... Now this testifies that Mordecai Moore, in consideration of the affection which he bears towards his son-in-law [stepson], Charles Burgess, the natural son of said Ursula, for 150 pounds sterling conveys to Charles Burgess."

In LWT of Mordecai Moore's stepson, William Burgess, dtd 6/28/1698, Anne Arundel Co., Md., Ursula Moore is given his plantation; stepbrother, Richard Moore, is given land at Beard's Creek; his brothers, Benjamin and Charles Burgess are mentioned as well as sisters children, i.e, Jane, Charles, Eliza and William Sewell.
