Jackson County was taken from Franklin County and therefore becomes a necessary county of research. Many Revolutionary War Soldiers settler on land grants which fell into Jackson. A thorough canvas of Jackson County was made by the authors in 1969 using maps and word-of-mouth to locate isolated family tombstones and church cemeteries. This work is valuable today because many of those tombstones have been broken, vandalized, or removed from the site.

WITT

David. In memory of David Witt, a native of State of Virginia, born 1/15/1772, departed this life 4/15/1835. For more than 30 years prior to his death, he had been a resident of this country, during which time he won to a large degree the confidence of his fellow citizens, his life of just and honorable conduct in his private transactions and by a firm, independent and patriotic career as a public man. Often called upon to represent this county in the State Legislature and was chosen to preside over the Representative branch in the discharge of the important duties of every station, he displayed a sagacity and sound judgment, which linked to an unbending integrity rendered him public benefactor in the character of a public servant._ Ann Oliva, wife of William | Infant child of Ann Olivia Middleton Witt born 2/16/1844 | Nancy, wife of David, died 6/23/1861
