

3rd He lives in Bartow County, Ga. Has lived in
Ga since 1883 that I know of.

8th He worked for me from August 1883,
9th to March 1884, perhaps some little intervals
in the meantime that he did not work. He
has not been able to do good work for
the last four or five years, I kept him
with me the last three years, mainly through
sympathy, knowing that he was a very
poor man and had no means of support.
He is still a poor man and has no income
and no property.

10th His physical condition is not good

11th He is unable to support himself by
labor, because of physical condition and
1st infirmities.

12th I helped him some. He did what he was
able to do, which was but little. His little
girls worked for him.

13th I cannot tell exactly, as I do not re-

1st. This form can be used by guardian, or minor children, where there is no widow.
2nd. The Ordinary must, in all cases, send certificate of marriage attached hereto, if marriage is not proven by witness only for tracing. Such a certificate is entirely too bulky for use in any sort of pension paper.
3rd. This form is for widows of disabled soldiers who died after October 20th, and for widows and dependent children of Service soldiers who died after November 1st.
4th. The Ordinary should examine the blank carefully and see that it is fully and correctly completed, and the seals affixed, and that the back, when folded, is filled out.
5th. Pay not one penny on this application until it is approved in the Pension Office, and returned to you as your authority to make the payment.
6th. The widow signs pay-roll for the pension of her husband, signing her name opposite his name thereon.
7th. The pension for only one year can be covered by one voucher. Each year's pension is a separate and distinct transaction and must be so treated. If widow of a "war" pensioner, who was due 19th and 19th pensions, she must make two yellow applications—one for each year. Attach a separate marriage license to each yellow blank.

Pension office 12-12-1910 must state and prove clearly a better accounting for himself. The ~~fact~~ barefaced statement that he decided to stay with Gen Wofford in Atlanta is of itself no excuse for not returning to his command or to pay out-off by the enemy. The witness presented does not seem to know anything of this.
