ORDINARY

Hon. Jno. W. Lindsey,
Atlanta, Ga.

Dear Sir:-

I write you relative to a pension claim of mine, that is now pending from Ben Hill County. This claim has been before you also from Irwin County, but was rejected, and I filed a new claim from Ben Hill, and the application was rejected again for the reason that there was no evidence showing that I served in the Navy, as I allege that I enlisted in the Army and was transferred to the Navy.

Since the report was received from you stating the grounds of the rejection, I have had an affidavit filed with you from one Jacob Troup who enlisted in the service with me, and he makes affidavit to the fact of my having served in the Navy, as he saw me on several occasions while in the said service.

My object in writing you at this time is to know whether or not the affidavit of Mr. Troup is sufficient to warrant the allowing of the claim, so that I would not have to bother about trying to secure additional evidence.

I would like to hear from you as soon as convenient in the matter, and state whether or not the evidence now on file is sufficient to have the claim allowed, and if not, in what particular is it lacking, so that I would have time to prepare more papers before Oct. 1st.

Trusting I may hear from you soon, I am,

Very truly yours,

J. W. Luke

OFFICE OF
C. M. WISE,
ORDINARY
BEN HILL COUNTY,
FITZGERALD, GEORGIA.

Georgia, Ben Hill County.

Personally appeared before the undersigned, the Ordinary in and for said County, G. W. Luke, who being duly sworn deposes and says: that he is the applicant for a pension above mentioned, and that he returned for taxation some real estate, ^{and personal property} in Irwin County, Georgia, for the years 1903-1904-1905 and 1906, and that the property so returned for the years 1903-1904 and 1905 was real estate he bought and ~~was given a bond for title~~, but that he found he could not pay the agreed purchase price for same, and that he gave the property back to his son Oscar Luke from whom it was purchased, and that he never had a deed to the property returned, ~~but only a bond for title~~.

Affiant further states that the property returned for taxation for the year 1906 in Irwin County, was personal property consisting of a horse and some cows, and that he was compelled to sell them to get money with which to live on, as he was unable to work and make a living at that time. Affiant further states that he has no property now either real or personal except some house hold goods, and one hog.

Affiant further states that he together with his son made an affidavit in a former application for a pension, stating the true facts regarding the purchase of the land above mentioned, and that those affidavits are now on file in the office of the Pension Commissioner, as they were filed during the year 1906, and have never been returned to him.

the objections as noted. I thought this matter had been attended to before until receiving your letter I began to search for the application together with the amended affidavit. It is the case of James G. T. Williams that I specially want to know at this time and all the information I cared for at this time is whether or not any additional evidence will be necessary in his case and if not inconsistent with your duties would like to know what objections there are, if any, so that they can be covered by October next as he is very anxious to have his application acted upon favorably. The same is true of Mr. G. W. Luke, and if upon examination of these two claims you find that further evidence will be required to complete them we would like to know as soon as possible so that the matter can be attended to. Both of these gentlemen are in very needy circumstances and old and infirm and they are very desirous of knowing as soon as possible whether or not their claims will be allowed on October first. It is this information I desire for them and if you are in a position to furnish it, it certainly would be appreciated.
