you could refer back to
that and get the necessary
proof for it certainly will
not have been granted
then unless it had been

However it has been so

Dear Sir:-

Am in receipt of your letter in which you state that I failed to enclose the application of Mrs. Josephine McKay, and ask that send same forward.

Will say that I must have sent the application with the letter, as it cannot be found here, and I had it at the time of writing to you before. I fail to understand how it could have been misplaced, and do not understand why it did not reach you. If you do not have it by this time I do not know where to look for it, for I am quite sure I mailed it at the time of mailing the letter, and with the letter.

It had attached to it a copy of the marriage certificate, and all the evidence in the case, and would thank you to let me know whether or not it has been located there yet, and if not we will have to proceed to get up a new application.

Very truly yours,
