My dear Aunt:-

Your letter to Endeke has been referred to me. We were of course as we always are glad to hear from you. I called upon the Commissioner of Pensions, this morning in your interest. He informs me that his record shows that on Oct. 22nd, 1913 your application for pension was returned to the Ordinary of Camden County for revision, and that the same has never been returned to his office. He directs me to say to you that in the event of this application having been mislaid or lost, your proper course would be to prepare a new application on the form enclosed with as little delay as necessary for the reason that all applications reaching his Department on or after November 1st will, under operation of law, be carried over for a year. You understand from this that promptness is necessary. You of course know that it will be a very great pleasure for me to serve you in this or any other matter, as I am right here in the Capitol within daily touch of the Pension Commissioner, and that I can serve you better than those of your friends who are not so fortunately situated as regards location. I would urge that you fill in the form in the proper manner and insist that Judge Russell give it prompt attention, in order that you

never been returned to his office. He directs me to say to you that in the event of this application having been mislaid or lost, your proper course would be to prepare a new application on the form enclosed with as little delay as necessary for the reason that all applications reaching his Department on or after November 1st will, under operation of law, be carried over for a year. You understand from this that promptness is necessary. You of course know that it will be a very great pleasure for me to serve you in this or any other matter, as I am right here in the Capitol within daily touch of the Pension Commissioner, and that I can serve you better than those of your friends who are not so fortunately situated as regards location. I would urge that you fill in the form in the proper manner and insist that Judge Russell give it prompt attention, in order that you

ROBERT LANG, Ordinary.

St. Mary's, Ga., 7/3 1906

Hon Jno W Lindsey, Com Pension  
Atlanta Ga

Dear Sir,

In March 1901 Mrs Mary D Fox made Application for a Pension as an Indigent Confederate Widow. Which Application was turned down, because she had 1 Small House & Lot in Town of St Marys Ga.

She wishes to renew said Application & begs that you will reconsider the Application.

I did not think it necessary to make a new Application, but beg to return the old one, as I consider she has made out her own satisfaction in regard to being the wife of a Soldier for a Confederate Soldier.

I beg to say that Mrs Fox still owns the House & Lot that her Application was rejected on, but this House & Lot does not give her a Support. If she should sell it for a Support, she would have no where to live, therefore would be in a worse fix than before. Mrs Fox is now unable to do any thing in way of a Support scarcely, on account of her Physical Condition and I think she is entitled under the Law to have a Pension. Please read over the Law & see if you cant do something for this worthy Widow.

ROBERT LANG, Ordinary.

St. Mary's, Ga., 7/3 1906

I beg to say that I have no interest in getting a pension for Mrs Fox, More than I was in the war with her husband & know him to have been a first Class Soldier & a first Class Man even the war ended his death.

Justine, you may see proper to reconsider the Application & pass on the same finally.

Yours Very Truly,  
Robert Lang, Ordinary.

P.S. I beg also to Enjoin also Certificate of Doctor & Surgeon the Town Physician also Mr & Mr Vocell's Certificate, which I think will tend to strengthen the case.

Yours Truly,  
Robert Lang

I certify that I am well acquainted with Mrs Mary Fox Applicant for Pension and consider her a worthy applicant, and a Pension granted to her, would be as good of benefit as well as a legal right deserved under the Pension Act.

My dear Sir

I have called that Mrs. Mary M. Fox, widow of the late Lawrence Fox, (whose expenses for a pension in 1901 was repaid on the ground that she was the owner of real est. and in consequence, we not entitled under the <sup>law</sup> to a pension) is absolutely unable physically to earn a living. I have been an attending physician in her various illnesses, in the past, and I know what I speak. Quite recently I have been in attendance upon her for some painful rheumatism, which impaired her mobility to considerable extent. Coupled with this condition she has chronic rheumatism and eye trouble. The fact that she owns a small lot and house in the town of St. Marys should be allowed to "cut us free" when we take into consideration her condition of 'physical bankruptcy'. I trust Sir that you will give this matter your very earnest attention, and that your decision will be a favorable one.  
Very respectfully,  
A. P. Barnard
