## NOTES.

The pension is only payable to certain classes of widows.

Those whose husbands were killed in service.

Those whose husbands died in the army of wounds or disease contracted in the service.

Those whose husbands went to the army and have never been heard from since the war.

Those whose husbands were wounded in the army and have since died from the direct effects of the wounds.

Those whose husbands contracted disease in the service, and who after the war, died of the disease caused by the service. The disease directly causing the death.

No widow is entitled unless she was the wife of the soldier during the war, and has never remarried.

The law does not provide for any one living out of the State of Georgia, or who did not live in the State at the date of the Act.

The facts to establish a claim must be substantiated by the testimony of three witnesses who personally know of the enlistment of the husband and his death and the immediate cause of the death.

Widows who have married since the service of their husbands in the army are not entitled.

There is no need of employing a lawyer or other agent to attend to these claims. The Department will furnish full and specific instructions, and give ample opportunity to every claimant.

If witnesses live in another County from that wherein applicant resides, they must go before the Ordinary of their County and testify. The attestation of a Justice of the Peace or Notary will not answer.

If proofs must be made out of the State, the witnesses must be sworn before a Judge of a Court of Record under seal, and the witnesses must be certified to as reliable, and that their signatures are genuine.

Fill out Power of Attorney authorizing some one who can call at Treasurer's office in Atlanta and receive the money, to receipt for same.

Fill out the "directions" below Power of Attorney, so that your Agent will know where and how to send the money.
