1st. This form can be used by guardian, or minor children, where there is no widow.
2nd. The Ordinary must, in all cases, send certificate of marriage attached hereto, if marriage is not proven by witness.
3rd. Avoid the use of the enormously large form of marriage certificate in common vogue throughout this State, suitable only for framing. Such a certificate is entirely too bulky for use in any sort of pension paper.
4th. This form is for widows of disabled soldiers who died after October 26th, and for widows and dependent children of soldiers who died after November 1st.
5th. The Ordinary should examine the blank carefully and see that it is fully and correctly completed, and the seals affixed, and that the blank when folded is filled out.
6th. Pay out no money on this application until it is approved in the Pension Office, and returned to you as your authority to make the payment.
7th. Return this application with your final statement to the Pension Office.
8th. The widow signs pay-roll for the pension of her husband, signing her name opposite his name thereon.
9th. The pension for only one year can be covered by one voucher. Each year's pension is a separate and distinct transaction and must be so treated. If widow of a "war" pensioner who was due 1920 and 1921 pensions, she must make two yellow applications—one for each year. Attach a separate marriage license to each yellow blank.
