APPLICATION FOR PENSION DUE TO A DECEASED PENSIONER

(Under the Act of August 15, 1904)

To Be Paid to the Ordinary for Funeral Expenses and Expenses of Last Illness.

GEORGIA, Cobb County.

Personally before me, the Ordinary of said County, comes W. C. Humphries of said County, who, after being sworn, on oath says that he knew Mrs Emma Dummett of said County, and that said pensioner was on the Widow Pension Roll of Cobb County at the time of death, which occurred in Cobb County, in this State, on the 13th day of April 1924, and that a Pension of One Hundred Dollars was due pensioner and unpaid at the time of pensioner's death. That he left no widow or dependent children surviving, and no estate of any value sufficient to pay these funeral expenses, which amounted to the sum of \$188.50 per sworn statement fully and completely itemized, hereto attached.

Sworn to and subscribed before me this 25th day of April 1924 J. M. Gunn Ordinary Cobb County.

AFFIDAVIT OF ORDINARY

GEORGIA, Cobb County.

I, J. M. Gunn Ordinary of said County, do certify that I personally know W. C. Humphries, who is a resident citizen of said County, and that said person is of a truthful and trustworthy character, entitled to full faith and credit.

I also knew Mrs Emma Dummett while in life and that this was the same person whose name appears on the Widow Pension Roll of Cobb County, and was paid a Pension of One Hundred Dollars in said County for 1923, and I now believe said pensioner to be dead.

Given under my hand and official seal, this 25th day of April 1924 J. M. Gunn Ordinary Cobb County.

INSTRUCTIONS:

- 1st. For use in all cases where pensioner died after January 1st, had not been out of State longer than twelve months, and died without owing sufficient property to pay such expenses. The widow of a soldier, if she is living, has prior claim over these expenses, and must make application on yellow blank.
- 2nd. Require those claiming accounts for expenses of last illness and expenses of funeral, to make out their account in fully itemized form, giving each item and the value of it, and each date.
- 3rd. Running accounts cannot be paid—only those connected with the last illness, just before death when pensioner grew worse to die.
- 4th. Each account must be sworn to before the Ordinary, and in the following form: (Do not use the terms: "just, true, due, unpaid," etc.)
- 5th. The above and foregoing account is rendered for services in the last illness (or for funeral expenses, as the case may be) of W. C. Humphries who died without owing sufficient property to pay this bill.
- 6th. The Ordinary must see to it that each bill is perfectly legitimate in every respect, and properly sworn to, and all attached neatly to this blank, after this blank has been properly completed as indicated.
- 7th. The completed voucher, this blank and the bills, must be sent to the Pension Office for approval and no money must be paid out until it is returned to you as your authority to make the payment.
- 8th. The Ordinary signs pay-roll, as Ordinary, for the pension and then disburses the money himself and takes receipt.
- 9th. Accept no bills for nursing until you write the Pension Office, stating the circumstances in very great detail. Pensioner's children, or children-in-law, must not charge the State for doing only what the law and common humanity demand of them.
- 10th. Return this application, and attached bills, with your final settlement to the Pension Office.
- 11th. Ordinary should see that the back of this blank, when folded, is filed out.
- 12th. Funeral expenses of deceased "new" pensioners covering all or part of both the 1920 and 1921 pensions require two separate sets of this voucher and bills—one set to be filed in the Pension Office with the pension papers of each year.

Dear Mrs Dismukes: I have just received from Gen Cabell your letter to him of the 8th inst. enclosing Application Blank for Confederate Pension -

During the War I belonged to an Artillery Company in Gen. Douglas H. Cooper's Brigade and know your husband and can make affidavit to his service as Chief of Ordnance in that Brigade but do not recollect at what point he was stationed at the close of the war, but it was either at Buggy Depot or Fort Washita, he was never regularly discharged nor did the Brigade surrender. About the 28th day of May 1865 the Officers in Command of the Brigade became satisfied of the surrender of Gen Lee but not sure, so all the troops were given furloughs for thirty days and of course never returned to the Army.

I am returning the blank sent me and suggest that you go to the Ordnance, who it seems has charge of Confederate Pension Claims, and tell him the character of proof that you want to make and get a different blank to the enclosed. I suppose he has a different form of

That said soldier enlisted in the service of the Confederate States (or the Georgia State Troops) on or about the
day of June of 1862. That while in said service or by
reason of said service in the Army, he died on the 13th day of August
1894 from the following causes: D. W. Dobbs testifies that
the said A. S. Dobbs came home on a sick
furlough in Sept. 1864 - that while at home
in Cobb County he was captured by a de-
tachment of Federal troops and sent to a
federal prison, Camp Douglas Ills. at which
place he stayed till they surrendered, when
he returned home in 1865 he was badly up
and in bad condition with dropsy. He never
recovered from the said disease - it grew
worse continually till he died with said
disease on 13th day of August 1894.

Our opportunity for knowing the facts stated in reference to death of applicant's husband were

D. W. Dobbs and A. S. Dobbs were neighbors
of D. W. Dobbs testifies - that they lived in
the same community and the said D. W. Dobbs
knew A. S. Dobbs before the war and ever since
the war till his death
We further swear that she became the wife of said soldier on the

day of 18⁵², and so remained to his death, since then she has not again
married, and that she resided in said State of Georgia on the 23d of December, 1890, and that she has so continued
to reside up to this date.

We further swear that we have no personal interest in the pension asked for.

In Person appears
W. Parks Dobbs a resident
of said County who on oath
says he was well acquainted
with O. S. Dobbs the husband
of this applicant for pension
- that he, affiant, and O. S.
Dobbs were in the same
Company & Regt. in the Army
together, 1st Regt. Co. "C." Phillips

said O. S. Dobbs entered the
Confederate Army a sound and
healthy man and remained
so during the time he was with
me in the Army. He came
home on furlough in 1864 and
was captured by the Federals
and sent to prison at Camp
Douglas Mo. - He then re-
turned home in the summer
of 1865 all swollen and
puffed with dropsy, so
much afflicted thereby that
he was a confirmed invalid
- he remained in said condi-
tion sometimes better and some-
times worse for and during
the entire time from his return
home in 1865 till his death
in August 1894.

Georgia Cherokee County
In Person appears
W. Percy Dobbs a resident
of said County who on
oath says he was acquainted
with O. S. Dobbs the husband
of this applicant for pension
- that he W. Percy Dobbs was
well acquainted with O. S.
Dobbs when he entered the
Confederate Army - that O. S. Dobbs
was a sound man when he
entered the Army - that he was
an invalid when he returned
home from prison after the war
- that he saw him O. S. Dobbs
when he first returned from prison
- that he was in bad condition
physically - his legs and feet
were badly swollen and his
stomach and chest was also
puffed and swollen - I then
known him, ever since they were
sick and hearing from him
occasionally - he was continually
afflicted with the said disease
(dropsy as I understood it) and
never recovered from it - he
died in August 1894.
I am satisfied and do here-
testify that he died from this
disease, dropsy, with which he

I have been acquainted
intimately with O. B. Hobbs
from long before the war
till his death - I knew
him and saw him at short
intervals and regularly from
the close of the war till
he died - I saw him
die and am satisfied beyond
any doubt that he died
with the disease, dyspepsia, which
he contracted in the Civil
Service - it followed him
up continuously from the
time he contracted it till
his death without any change
of disease.

I have no interest in the
recovery of this Pension.

saw and examined O. S. Dobbs,

said O. S. Dobbs suffering
seriously with ascites or abdom-
inal dropsy - that he con-

he died in August 1894.

I am satisfied that the
said ascites or abdominal

his death - that I was
called to see him about
two weeks before he died
- and at that time tapped
him and removed about four
gallons of watery fluid and am
fully satisfied that the said
