NOTES.

In order to avoid unnecessary delays to applicants, and to enable all parties interested to understand the laws governing allowances to disabled soldiers, as well as the rules adopted by the Governor touching the payment provided, the following suggestions are submitted.

1. If an applicant has been wounded, the description of the wound should be carefully and fully set forth by applicant and physician, and followed by a plain statement of facts showing the extent of the disability. If applicant claims disability from disease contracted in the service, a full and carefully stated history of the disease should be given, showing the disability by positive proofs to the service.

2. The law makes no allowance for an arm or leg, unless the arm or leg has been rendered substantially and permanently useless.

3. It will not answer to say that an arm or "substantially" useless for ordinary purposes of life, etc. There is no qualification in the laws of the Act in reference to the arm or leg, but the facts must be set forth by substantially and permanently.

4. It is suggested that a wounded leg, if it would seem to be the construction of the Act, and the fact of the disability, should be set forth by the applicant and physician.

5. It is suggested that a wounded leg, if it would seem to be the construction of the Act, and the fact of the disability, should be set forth by the applicant and physician.

and that they served with him in the army, and from our personal knowledge he was injured by

the service as follows: (give full statement, and tell in your own language how badly applicant is

disabled from work. If he does any labor, or can do any, state what.) He was

shot at the battle of Gettysburg in the

Massachusetts Infantry, and being wounded
by a musket ball in the right leg, the
ball entering the knee joint and passing

coming out of the leg on the side of the
opposite side of the knee joint, the wound
was caused the removal of the leg to
be made, leaving the leg smaller and
shorter than the other leg, as he was

leg substantially and essentially useless
and said wound caused a swelling

Re: Mrs. Georgia Ann Hembree

Personally appeared before undersigned attesting officer:
Slaughter L. Hembree, who being first duly sworn according to law,
deposes on oath and says; that he is a son of W.J. (William Jasper)
Hembree and Mrs. Georgia Ann Hembree. That he is now now 33 years of
age and has always resided in Douglas County, Georgia; deponent says
that his father and mother resided together as husband and wife down
to date of death of his father on December 1st. 1904, and that his
mother Mrs. Georgia Ann Hembree, is one and the same person named on
the bible record and entry made by deponent's father W.J. (William
Jasper Hembree) Hembree, hereto attached, where in deponent's mother
is shown as Georgiana Hembree, and that same is nearly way deponent's
father ~~named~~ wrote Georgia Ann.

Deponent says further that his mother Mrs. Georgia Ann Hembree,
has never married since the death of her husband W.J. Hembree, and
is now a widow.

Deponent says further, that his father was always a very hard
working man; and owned some 500 acres of land in Douglas County, and
for that reason would not dispose of his land to enable him to qualify
to draw pension.

Deponent says further that his father talked about the war and
his service very little, but that deponent heard his father say that
he did not know for certain that he killed but one man during the war.
But that he was guarding Federal Prisoners, and while on guard duty,
a Federal prisoner started across the dead-line, and that he ordered
him to halt the second (2nd) time, and the prisoner patted his rear
and continued toward or across dead-line and that his father stated
he shot and killed the prisoner. Also that when he was guarding the
prisoners that they were feeding them on hard-tacks, and prisoners
would throw them away, and that later they would pick them up and eat
them; also hear him speak of the hard marches they had; and talk about
Alfred (Alfred) Reynolds being fastest runner, in foot races; At time of
the war, my father W.J. Hembree resided in Carroll County, Georgia, later
made a part of Douglas County, Georgia.

STATE OF ALABAMA) ss.
CULLMAN COUNTY.)

Personally appeared before undersigned attesting officer; Mr.
W.T. Hembree, who being first duly sworn, deposes on oath and says, that
he is a resident of Cullman County, Alabama. That deponent will be Eight
(80) Years old on February 23rd. 1935, that he deponent is a son of W.J.
(William Jasper Hembree) Hembree, who died on December 1st. 1904, in
Douglas County, Georgia, and that deponents father said W.J. Hembree,
died in Douglas County, Georgia, leaving his wife Mrs. Georgia Ann Hem-
bree as one of his surviving heirs-at-law; that this deponent is a
son of said W.J. Hembree, by a former marriage. Deponent's mother having
died prior to the marriage of said W.J. Hembree to Mrs. Georgia Ann
Hembree, which took place in year 1888.

Deponent says further that his father W.J. Hembree served to
the end of the war as a soldier in Confederate Army; that deponent
was some 7 years of age, and was in the army filed, when his father
returned home from the war in or about June, 1865; that he remembers
him getting to their home before dinner; and that his father went to
work that evening cutting sprouts.

Deponent also remembers the Yankee soldiers visiting their
home, and that the Yankees took the dresses of his sisters and tore
them up for handkerchiefs. And the Yankee soldiers took fathers
saddle horse and carried it away with them; robbed the bee hives; and
tore up most every thing, while father was away at war.

And that Alberry Hembree an older brother of this deponent, and
older son of said W.J. Hembree also was in the war serving in the
Confederate army.

Deponent also remembers his father said W.J. Hembree telling
about having to shoot and kill a Yankee soldier, while he said W.J.
Hembree was on guard duty; and that he said W.J. Hembree was brought
up in court martial for killing the Yankee soldier; and after hearing
the Judge of Court Martial, honored him, and offered him a mounted
office, but that he didn't accept it.

Deponent says further that this affidavit is made to be used
in application of Mrs. Georgia Ann Hembree in her application for a
pension as the widow of W.J. Hembree a confederate soldier, late of
Douglas County, Georgia, deceased. That deponent has no interest what-
ever in said Mrs. Georgia Ann Hembree's securing pension, as this depon-
ent now resides children of deponent; and that deponent will not be
benefited by said Mrs. Georgia Ann Hembree's securing pension. That he
has merely stated facts as he remembers and knows same to have happened

Personally appeared before undersigned attesting officer; J. T. Reynolds, who being first duly sworn deposes on oath and says that he is now 71 years of age and that he has been a resident of Carroll, then Douglas County, Georgia all his life. Deponent says further that he was well acquainted with W. J. (William Jasper Nembree) Nembree from time this deponent was 5 or 6 years of age. That said W. J. Deponent says he was 15 years of age when said W. J. Nembree and deponent's aunt Mrs. Georgia Ann Nembree married. That this deponent heard said W. J. Nembree talk about being in the war number of times, and hear him tell one thing that is very fresh on deponent's mind, that is, I heard him tell about burning brush heap and dug in up up ground then to make him warm place to sleep at night; and heard him tell about various experiences and hardships suffered while he was in the war; deponent heard said W. J. Nembree talk about the war and discuss the war with deponent's father Mr. Alfred Reynolds who was in the war and their hardships and experiences. It was the general reputation, and general information in Douglas and Carroll Counties Georgia, that the said W. J. Nembree was in the army and served in the war between the States, in the Confederate army.

Deponent says that he has heard him said W. J.
