detained nearly a month before
and sent from Raleigh N.C. to
Richmond with prisoners. The 2nd of Sept. I
then transferred to the 1st. When I left
on the detail, Claiborne was with
the Co, and had been all the
time. This was some time about
the 10th Nov 1865.

After I surrendered at
Appomattox, I came & met
the Co. at Abingdon Va, which had
surrendered a few days before
and came on home with
them. Claiborne was with
them then, and I never
heard at even, since that, that
he was not with them. I am
satisfied he was, from the fact
that he was always on hand,
& never absent without leaving
my knowledge, during the service.

I think his physical condition
is bad. He complains of rheu-
matism in his right leg, and

I have seen him to sleep.
He tells me he is frequently laid
up with Rheumatic Paralysis for
a week at a time, and is able
to do very little labor, and
he looks like it.

Amongst such as I do to be
a truthful, honest boy, I believe him,
I think he would be above tell-

Sir:-

Enclosed I send the application of pension for Mr. E. A. Hensley, which you had last year and agreed with me to grant the same but some one took an important affidavit ~~out~~ off of the papers, as you will doubtless remember and when we went to the office to examine the papers we found that it had been torn off. I have taken another affidavit of Mr. E. A. Hensley, dated Aug., 25, 1905. also an affidavit of William Hensley of the same date. I also enclosed the affidavit of Mr. Alphonse Reynolds these affidavits show clearly and beyond any question Mr. Hensley's right to a pension and you will remember ~~you~~ said to me with these affidavits you would place Mr. Hensley on the Pension list for 1906. The fact is you had agreed to do so on the affidavits which you had before but they had been misplaced or torn away from the paper some way and we could not find them.

Please attend to this right away and oblige,

Yours truly,

I again write to insist on your allowing Mr. Hensley this pension. He is clearly entitled to it as you will see by reference to the paper or affidavits filed with you, and I hope you will allow it so he can get his pay this year 1906. You know that ~~has~~ his affidavit was filed which would have given him the pension long ago but by some means it was detached. was also at home on furlow and had
been for some time Defendant often talked
with Mr Hensler and we went to
Atlanta together to try to get back to

be some where in South or North

where they were and were both cut
off and no communication with

could get transportation. The Confederate

give us transportation. Mr Hensler
returned back to his home in Carroll

intended to get back to his Command

personal knowledge he gave as that

he came to locate his Command and I know it was his full intention to go to his Command.

He left home at some time and said he intended to go through the Country on foot to Missouri and try to locate his army back to his Command. He went out and was gone two weeks and returned back home he came away now being captured by the Yankees.

When he returned he told Deppment that he did not know what to do. I advised him to go into the House the Guards until he could find his Command. He went and attended in camp to Capt Gordon's Company of Home Guards some time the last of July 1865. Mr Hensley said to Capt Gordon at the time he found his Company if he could find his Command and could get to it he intended to do so. He remained with the Home Guard for some time. Several know that his Command was at some point in S.C. He left the Home Guard and went through the Country and went out in S.C. and his Command had gone and he could not be found. They were all the time on the march, he returned

home and went in with the Home Guard. Mr Hensley stayed with the said Guard for about a month and he left and went out again, to find his Command, and was captured by the Yankees and escaped from them near Macon. He then came home and stayed until the Surrender with said Home Guard. But all the time expressing his intention to go to his Command when he could and deppment knew it was his full intention to stay with the Confederate Army to the last. He was a good Soldier and was as loyal to the Confederate Cause as any man who ever lived in Ga. and I know that Mr Hensley never joined the Home Guard to keep out of the Army but for the Cause, him but the fact is he did not want to have anything to do with the Home Guard, but went in to stay.

E. A. Wheeler for pension under Section 1754,

as follows:

I was furloughed home from the Virginia

arriving at home saw said E. A. Wheeler per-
forming duty in Capt. Gordons company of home
guards, that was in Carroll County on or

Presumably came before me
the undersigned as Officer
in Charge of the Administration
of the State of Texas after
being duly sworn in on oath.

That Defendant was at
home on a furlow from the United
Army in the latter part of ~~the~~ ~~year~~ ~~1865~~
July 1865 and after arriving home
saw E. A. Reynolds. Mr. Hensley
was also at home on furlow and had
been for some time. Defendant then ~~with~~
with Mr. Hensley and we went to
Atlanta together to try to get back to
our Command. My Command was
in Va. and Hensley was supposed to
be home where in South or North
Carolina. He could not find out
where they were and we were both cut
off and no communication with
the army and he nor Defendant
could get transportation. The Confederate
authorities would not and could not
give us transportation. Mr. Hensley
returned back to his home in Conn.
Co. He stated to me that he could have
nothing from his Command and
did not know what to do. But he
intended to get back to his Command
if possible. And I know of my own
personal knowledge he came all that

he came to locate his Command and
I know it was his full intention to
go to his Command.

He left home at
some time and said he intended to
go through the Country on foot to
Macomb and try to reach his army back
to his Command. He went out and
was gone two weeks and returned back
home he came away from being captured
by the Yankees.

When he returned he told Defendant that
he did not know what to do. I
advised him to go into the home of
Yards where he could find his
Command. He went and attended ~~him~~
- up to Capt. Gordon's Company of Home
Guards some time the last of July 1865.
After Hensley said to Capt. Gordon at
the time he joined his Company if
he could find his Command and
could get to it he intended to do
so. He remained with this Home
Guard for some time. He told me
that his Command was at some
point in S.C. He left the Home
Guard and went through the Country
and went out in S.C. and his
Command had gone and he could
not be found. They were all the
time on the march, he returned back

same and went in with the Home
Guard. Mr. Hensley stayed with the
said Guard for about a month and
he left and went out again to find
his Command and was captured by
the Yankees and escaped from
them near Macon. He then
came home and stayed until
the Surrender with said Home
Guard. But all the time express
his intention to go to his Command
when he could and defend them
& it was his full intention to
stay with the Confederate Army to
the last. He was a good Soldier
and was as loyal to the Confederate
Cause as any man who ever
lived in Ga. and I know
that Mr. Hensley never joined the
Home Guard to keep out of the
Army but for the Cause, him
but the fact is he did not
want to have any thing to do
with the Home Guard, but went in

NOTES.

1. If an applicant has been wounded, the description of the wound should be carefully and fully set forth by applicant and physician, and followed by a plain statement of fact showing the extent of the disability. If applicant claims disability from disease contracted in the service, a full and carefully stated history of the disease should be given, tracing the disability by positive proofs to the service.
2. The law makes no allowance for an arm or leg, unless the arm or leg has been rendered substantially and essentially useless.
3. It is no qualification to say that an arm is "substantially useless for ordinary purposes of life," unless there is no qualification to the clause of the Act in reference to the leg, but the limb must for all purposes be "substantially and essentially useless."
4. If the application is for a wounded leg, it would seem to be a fair construction of the Act, and the words above quoted, to say that unless the injury is such as to require the constant use of crutch or stick, that the leg is not "substantially and essentially useless."
5. If application is for loss of fingers or toes the proofs must be made to show the number, and points where amputated.
6. If papers are returned for correction, and amendments are added to any of the affidavits, the amendments must be made under oath before an officer, and the proofs must show that the amendments have been duly sworn to.
7. Every application must be certified by the Ordinary of the county of the residence of the applicant. The certificate of any other will not be received in any case.
