Personally appeared before me, J. S. JAMES, who on oath says that J. C. Danforth was married to Miss L. A. McEwen at the date stated in the application for pension. Soon after they were married they moved to Campbellton, county seat of Campbell County, and lived there until after the war begun. They purchase a small piece of land forty acres, in the Northern portion of Campbell County. After J. C. Danforth enlisted in the war, they moved on to this lot of land, deponents best recollection is that it was sometime in the year of 1862. J. C. Danforth was the uncle of deponents Mother, and while deponent was a small boy at the time of the marriage of J. C. Danforth to Miss McEwen, he remembers it distinctly.

Sometime in the later part of the Summer or first of the fall of 1861, J. C. Danforth enlisted in Company C. 30th, Georgia Regiment, and remained with that Company until about the 29th, of April 1863, and died at the time stated in the application. He was in the war at the time of his death, and had been since he enlisted. He was the Second Lieutenant in Company C, 30th, Georgia Regiment.

Deponent further says that Mrs. L. A. Danforth, now Phillips, married R. C. Phillips, her second husband in 1873, spring of the year. She lived with her first husband up to the time of his death, and remained his widow until 1873, and lived with R. C. Phillips until the 15th, of Feb, 1911, when he died at Douglasville, Ga., while in the Farmers & Merchants Bank, he fell dead.

PENSION OFFICE.

Apr. 5th, 1912.

In the matter of charges made by the Grand Jury of Douglas county, at the March Term, 1911 of the Superior court, against J. A. Pittman who is on the Pension Roll of said State.

Due notice having been given to the said J. A. Pittman and to the Foreman of the Grand Jury of the hearing of said charges at this office today, the answer of J. A. Pittman being filed and testimony submitted, and it is made to appear that the said J. A. Pittman had no notice to appear before the Grand Jury to be heard on said charge made against him and he was not heard. It further appears that the said J. A. Pittman had only a life interest in the property returned by him for taxes and that his property both in Douglas and Cobb counties was conveyed by him to his children on the 7th day of April, 1907 for natural love and affection, the use, possession and control of said property being reserved to him, the said J. A. Pittman, for and during his life; that he returned for taxes the whole value of said property when his undivided and only interest was a life estate, and he being sixty-five years of age the life estate was proven not to exceed in cash value \$1500.00, was only worth \$1000.00.

THEREFORE, in view of these facts and of the law, it is ordered that the charge made against the said J. A. Pittman as being the owner of property whose cash value exceeded \$1500.00 be, and the same is hereby, dismissed, and a copy of this order be furnished to the Clerk of the Superior Court of Douglas county to be filed with the presentments of the Grand Jury made at the March Term of the Superior court held in 1911.

5th. These are the facts as they exist, and I respectfully insist that the action of the grand jury, without giving me any sort of hearing or confronting me with whatever proof was before that body, so far as the same attacks the validity of the granting of the pension to me, by the Honorable Pension Commissioner was void; Because I have never been heard before that body, nor have been given the courtesy of presenting any paper of anything in my own defence. It would have been easily seen, if an investigation had been made that I complied with the Law in furnishing the Commissioner of Pensions application and proof of everything necessary to obtain a pension. The affidavit of just and true men, and the sworn statement of myself, and proof before him of what interest I had in the property returned at Two Thousand, Two Hundred, and Seventy-three (\$2273.00) Dollars. I have not concealed anything or tried to conceal anything, nor will not in future conceal anything, and am willing for any fair minded just man to investigate the truth of every fact I have stated, and all of the proof that I have submitted to obtain the pension or everything connected with it, and

before said body, in reference to the pension list, and especially that which affected my own pension, whatever was done before the body was done in secret, and I am not appraised of what occurred or what proof the grand jury had before them, further than the general presentments stated in the above and foregoing paragraph.

2nd. I went to the foreman of the grand jury and to the Secretary thereof, and other members, and ask to be heard before any action was finally taken or conclusion on my own pension, and I was finally told, that I had no right to come before the grand jury, and I would not be accorded a hearing before that body and their consideration of the matter was entirely *exparte*, with no chance whatever for me to be heard.

3rd. In relation to the property returned by me in Douglas County, on the tax book at the price and sum of Two Thousand, Two Hundred and Seventy-three (\$2273.00) Dollars. I beg to submit that not a foot of this property belongs to me. Long before the present Acts of the Legislature of this state, under which I was awarded a pension, and before I had ever thought of asking for a pension on my part, this property had been conveyed by me to my Children, reserving only a life interest in myself, and no other interest have I in the property, except a life interest.

foreman of the grand jury, Mr. Dorris, has stated, that he heard, or the grand jury heard, some way I don't know how, that I own considerable property in other Counties, is untrue. I mean to say that this rumor or statement from whatever source it comes, is without foundation, and is untrue, for I have no property other than what is returned above stated.

5th. These are the facts as they exist, and I respectfully insist that the action of the grand jury, without giving me any sort of hearing or confronting me with whatever proof was before that body, so far as the same attacks the validity of the granting of the pension to me, by the Honorable Pension Commissioner was void; Because I have never been heard before that body, nor have been given the courtesy of presenting any paper or anything in my own defence. any of those who are interesting themselves in the matter, if they will pay me Eight Hundred (\$800.00) Dollars for all the interest I have let them be political or personal pursuers, they can have it.

My entire income from the life interest of this property is less than Two Hundred (\$200.00) Dollars, per year, and out of that taxes have to be paid, the property to be kept up, so as it will make anything, and there is a small margin coming to me each year.

Having answered all the questions fully in this matter, I beg to submit this my answer to the matter, and have sworn to the same, as required by your order and as provided by Law.

Respectfully Submitted.

Hon John W. Lindsey,

Atlanta Ga,

Dear Colonel:-

The grand jury of this County at its session just closed for some reason best known to themselves saw proper to challenge my right as a service pensioner, solely on account of the fact that I had returned for taxation in this County property, or real estate to the value of \$2273.00, in which I hold only a life estate, this would have been a matter on their hearing of matter, but they gave me chance to be heard, but, had an "exparte" hearing.

I got the Clerk to send up this matter to you once, and I sincerely wish that you give me a hearing on this matter not later than Wednesday April the 10th. They based their findings purely and solely on the Tax Digest of 1912, there may have been, and I think there was more or less politics in this matter, as I had passed the grand juries before this one, and not one word was said until this took this action, which is only a few days until the County Primary, which occurs on the 11th day of April. Col J. A. James, told me to say to you, that next Wednesday April the 4th would suit me to be there, when you took up the hearing in my case:

Dear Sir:

In reply to yours of the 20th, Inst., wish to say that, Judge Price Edwards, chased the Grand jury to examine the pension rolls, and ascertain whether or not there were any names appearing on the Service pension rolls, drawing, who had returned property, in their own names at over \$1500.00. The Grand jury presentments show that J. A. Pittman, has returned property in Douglas county to the value of \$273.00. We were informed that, Judge Pittman, had a lifetime interest, in \$8,000.00 or \$10,000.00 worth of property in other counties, which is all that any person has while he lives. Personally I know nothing about Judge Pittman's financial affairs and can only refer you to the records. I am a friend of Judge Pittman's and regard him as one of our best citizens, and would not do him an injustice, knowingly. All the interest I have in the matter is, to report conditions as I found them, and to do my duty as a grand jurymen.

NOTES.

1. If an applicant has been wounded, the description of the wound should be carefully and fully set forth by applicant and physician, and followed by a plain statement of fact showing the extent of the disability. If applicant claims disability from disease contracted in the service, a full and carefully stated history of the disease should be given, tracing the disability by positive proofs to the service.
2. The law makes no allowance for an arm or leg, unless the arm or leg has been rendered substantially and essentially useless.
3. It will not answer to say that an arm is "substantially useless for ordinary pursuits of life, etc." There is no qualification to the clause of the Act in reference to the arm or leg, but the limb must for all purposes be "substantially and essentially useless."
4. If the application is for a wounded leg, it would seem to be a fair construction of the Act, and the words above quoted, to say that unless the injury is such as to require the constant use of crutch or stick, that the leg is not "substantially and essentially useless."
5. If application is for loss of fingers or toes the proofs must be made to show the number, and points where amputated.
6. If papers are returned for correction, and amendments are added to any of the affidavits, the amendments must be made under oath before an officer, and the proofs must show that the amendments have been duly sworn to.
7. Every application must be certified by the Ordinary of the county of the residence of the applicant. The certificate of any other will not be received in any case.
