Judge Lindsey,
Dear Sir:

Please pardon me
for using this method of appeal-
ing to you for some information
regarding my pension.
I filed the white papers in my
own name last year after the
death of my husband Oscar and
but received his pension for the
year as he having died in Nov. 9
1914.
Will you kindly let me

know if those papers that were
filed at that time will be ac-
ceptable or will it be necessary
for me to file some more before
I receive the pension next year.
Thanking you for your
kindness in assisting me
last year & trusting I may
hear from you at your con-
venient convenience.

Yours Respect
Mrs. Mary T. Lee.

DEAR 9121

January 1, 1924.

Your letter of June 27, written in behalf of Mr. Norton Looming, has been received.

The Department has disapproved the application of Mr. Lemming for a pension, but such applications are reconsidered on the presentation of satisfactory proof of service.

A claim for a pension filed by Mr. Horton Lemming in 1923 states that he enlisted in Ross, Ga. 1862 in Co. "A", 6th Regiment, Infantry, and that he surrendered in 1865 at Appomattox. This application shows the following notation:

disapproved, for the reason that name of applicant does not appear upon the roster of the command to which he belonged, and also for the reason that the command stated did not surrender at Anomattox but at Greensboro.

C. E. McGregor,
COMMISSIONER OF PRISONS.

"Disapproved for the reason that none of applicants does not appear upon the roster of the command to which he states he belonged, and also for the reason that the command stated did not surrender at Appomattox but it surrendere."

A claim filed in 1908 claiming enlistment in Co. B., Sixth Ca. Infantry, "afterwards transferred in 1903 to Cavalry," Col. Thomas, Capt. Hobbs, surrendered September.

Your letter states enlistment of Mr. Lemming at
Rome, 6th. Co. Cavalry, 1860, surrender at Charlotte.

The Captain of Co. G, 5th, Ca., Cavalry which was from Floyd County was Capt. John B. Hart, and Weston Manning's name is not on the roll, nor has his name been found on the roll of any company of Infantry, Cavalry, Artillery, or State Troops on which it has been sought.

There was no Captain Harris in command of any official company that went from River County, Mo. G. Foster was Colonel of the 68 88th Inf., and search has been made for the name Harris among the rolls of this company, but without success. However, your letter is being forwarded to the War Department in another effort to find some record of the service of Mr. Lemmon.

from Floyd County was Capt. John H. Hart, and Horton Lanning's name is not on the roll, nor has his name been found on the roll of any company of the Twenty-third Cavalry, Artillery, or State Troops on which it has been sought.

There was no Captain Harris in command of any official company that went from Floyd County. Wm. G. Foster was Colonel of the 88th Co. Inf., and several has been made for the name Horton Lanning on the rolls of this company, but without success. However your letter is being forwarded to the War Department in another effort to find some record of the service of Mr. Lanning.

With kind regards, very truly yours,

Dear Sir,

In furtherance of the Census of
Mr. J. Lewis I wish to say that I have seen
his Physician and the Physician of his 3
married daughters for the past fifteen (15)
years and have known him to be an
honest, sober and hard working man. I
have known him often to work when his
physical condition was such that he should
not have done so. I have watched him
gradually decline and grow weaker mentally
& physically and have advised him to
quit work but he has persistently
refused to do so until his last afflu-
plectic stroke in May of this year.
I understand him incapable of doing
any more work. If ever an old
Veteran was worthy of and needed
a pension Mr. J. Lewis is certainly
that one.

Respectfully submitted,

NOTES.

1. If an applicant has been wounded, the description of the wound should be carefully and fully set forth by applicant and physician, and followed by a plain statement of fact showing the extent of the disability. If applicant claims disability from disease contracted during military service, a full and carefully stated history of the disease should be given, tracing the disability to its origin.
2. The law makes no allowance for an arm or leg, unless the arm or leg has been rendered substantially and essentially useless.
3. It will not answer to say that an arm is "substantially useless for ordinary pursuits of life, etc." There is no qualification to the clause of the Act in reference to the arm or leg, but the limb must for all purposes be "substantially and essentially useless."
4. If the application is for a wounded leg, it would seem to be a fair construction of the Act and the law to require that the applicant should show that the injury is such as to require the constant use of crutches, sticks, that the leg is so "useless" that it cannot be used for ordinary pursuits of life.
5. If application is for loss of fingers or toes the proofs must be made to show the number and points where amputated.
6. If papers are returned for correction, and amendments are added to any of the affidavits, the amendments must be made under seal before an officer, and the proofs must show that the amendments have been duly sworn to.

The application must be certified by the Ordinary of the county of the residence of the applicant. The certificate of any other will not be received in any case.

GEORGIA, FULTON COUNTY:

Personally appeared before me Frank Lewis who is a resident of Fulton County, Ga., and is a free holder and is a son of Ulysses Lewis of Fulton County, Ga., who is applying for a pension, who being duly sworn deposes and says that said Ulysses Lewis, November 4, 1908, was possessed of household and kitchen furniture to the value of about \$100.00 and office furniture, books, safe and typewriter about \$100.00; that the only property he has now is household and kitchen furniture of the value of about \$150.00 and office furniture books, safe, and typewriter of the value of about \$150.00 and that he has no other property of any sort or anywhere; that about 1911 or 1912 he purchased 25 acres of land in DeKalb County on a credit having no money to pay for it. A few months later he sold his equity in it at \$1700.00 and paid that all out on his debts and has none of it left now; that he has sold no other property other than that and has never given away any property; that said sale was made in good faith and was not made to obtain a pension and was not paid out on his debts to get a pension. He was heavily in debt and that only partly paid him out and was four or five years ago. He has acquired no other property since that. This affidavit is made in support of the application of said Ulysses Lewis to the Commissioner of Pensions for the State of Georgia, as a Confederate Soldier.

Dear Sir:-

I hope you will
pardon me for again calling
on you to aid me in getting
a Pension in Jan. 1910 - You
have my papers on file -
I made Application Sept. 30
1907 and in making applica-
tion I stated that I came
to Ga. in 1896, when in
fact it was 1885 - I came
to Ga. in 1884 but did not
settle or become a citizen
till 1885 - I made a mis-
take of 10 years in my
Application - and I think
you could allow me to
make this correction and
become eligible, as this

was the only impediment
or obstacle in the way of
my getting on the roll -
You will remember
me as the ex-confederate
who wanted to retire in
for you during your candi-
dacy last fall and helped
as best I could to swell
your majority and I hope
to be able to do the same
again during 1910 - one of
my papers was filed
with the Ordinance and you
will please see and examine
that as it is from some
of my comrades in arms.
I am still a voter of the
ward Atlanta, although I
am working South Ga. at

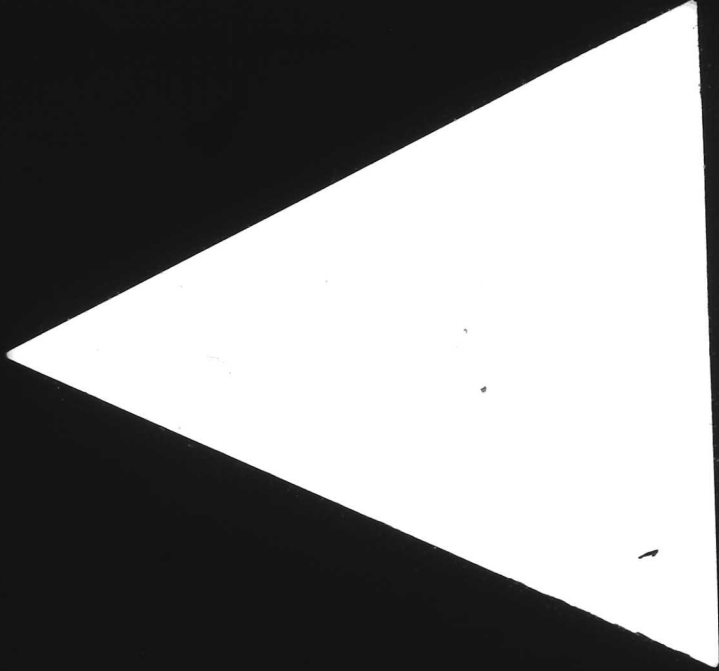

3
Present -
Comrade Lindsay, in giving
this matter long attention
and granting this Pension
you will be helping one
who needs and deserves
help -

Address me at Douglas,
Ga.

Yours very truly

NOTES.

In order to avoid unnecessary delays to applicants, and to enable all parties interested to understand the laws granting allowances to disabled soldiers, as well as the rules adopted by the Governor touching the payments provided, the following suggestions are submitted:

1. If an applicant has been wounded, the description of the wound should be carefully and fully set forth by applicant and physician, and followed by a plain statement of facts showing the *extent of the disability*. If applicant claims disability from disease contracted in the service, a full and carefully stated history of the disease should be given, tracing the disability by positive proofs to the service.

2. The law makes no allowance for an arm or leg, unless the arm or leg has been rendered *substantially and essentially useless*.

3. It will not answer to say that an arm is "substantially useless for ordinary pursuits of life, etc." There is no qualification to the clause of the Act in reference to the arm or leg, but the limb must for all purposes be "substantially and essentially useless."

4. If papers are returned for correction, and amendments are *added* to any of the affidavits, the amendments must be made *under oath* before an officer, and the proofs must show that the amendments have been duly sworn to.

5. Every application must be certified by the Ordinary of the county of the residence of the applicant. The certificate of any other will not be received in any case.

6. The Ordinaries of the several counties are specially requested to call the attention of the physicians and applicants to these points.

7. No payments can be made for any past year.
