If witnesses live in another County from that wherein applicant resides, they must go before  
the Ordinary and testify. The attestation of a Justice of the Peace or Notary will not answer.

# Affidavit to be Made by the Widow.

STATE OF GEORGIA,

County of Fulton

In person came before me, the undersigned Ordinary in and for the County of Fulton Mrs. Francis D. Wootten who being sworn according to law, says under oath that she is the widow of Jesse C. Wootten who was a soldier in the service of the Confederate States, or Georgia State troops, and served as a member of Company A of the 12th Battalion of Georgia Volunteers, that he enlisted in said service on or about the 1st day of April, 1862, and was in the Army up to September, 1863. That while in the Army, he was on the 1st day of September, 1863.

(See Note No. 1) In 1863, contracted discharge chronic and incurable which greatly impaired his health and rendered him a physical wreck, causing him to suffer continuously until his death. After his service he continued to be an invalid until January 22, 1874, when he died from the direct effects of said disease. In 1863 after he had been at home a few months he thought his strength would authorize him to return to the Army. He entered the service again, altho feeble and still suffering from the disease mentioned. He came out of the Army broken down, emaciated and permanently diseased and died of the disease as stated. He never at any time was free from the disease and his death was a direct result of the injury contracted while in the service. He was sound and healthy when he enlisted entirely free from such disease.

Deponent further swears that she was the wife of said deceased soldier during his term of service in the Army, and that she has never married since his death; that she became his wife on the 10th day of November, 1869, and that she was born in the State of Georgia and has resided in Georgia continuously since the 10th day of all her life, that Georgia is her home and was such on the 10th day of December, 1897, and since said date she has not lived in any other State or locality. This is to Certify  
That I am a regular

Practicing Physician a Graduate from  
The University of Pennsylvania at Philadelphia  
That I was intimately acquainted with  
Jesse C. Moton before the war between the  
States. At the time of his enlistment  
in the Confederate Service. Though not a  
very strong man physically he was of that  
robust nature, Capable of enduring  
hardship and resisting diseases to which  
the stronger and more robust often fall  
readily. I remember.

I saw him often immediately  
after the war, and had frequent opportunity  
of advising with him in regard to his Physical  
Condition and as to the treatment of the  
disease, Chronic Diarrhoea which was con-  
tracted in the service & from which  
he was suffering on his return home from  
the war. Can certify to the fact that he  
was weak and worn from the exhausting  
effect of the disease which finally  
resulted in his death on the 22<sup>nd</sup> day of  
Jan 1877.

This is to certify that I knew Mr.  
Jesse C. Moton deceased of Coweta  
County and that I know his wife  
Mrs. Fannie Dent Moton. Mr. Jesse  
C. Moton served as a Confederate  
soldier in the late war between  
the States. He was among the first  
to volunteer and among the last to  
return home. I know that Mr.  
Moton contracted chronic Diarrhoea  
during the war while in  
service, and I believe it was the  
final cause of his death in 1877.  
Mr. Moton was a distinguished  
and worthy citizen.

Respectfully

C. L. Pickens M.D.
