QUESTIONS FOR WITNESS.

STATE OF GEORGIA,

Gilmer COUNTY.

Nylie R. Ray, of said State and County, having been presented as a witness in support of the application of Joseph Davis for pension under Section 1254, Code, and after being duly sworn true answers to make to the following questions, deposes and answers as follows:

1. What is your name and where do you reside? Nylie R. Ray, St. Catharine Gilmer Co. Ga.
2. Are you acquainted with Joseph Davis, the applicant; if so how long have you known him? for more than forty years
3. Where does he reside, and how long and since when has he been a resident of this State? In Gilmer Co. Ga. Ever since I have known him - more than forty years
4. When, where and in what company and regiment did he enlist, and how do you know? Went March 1862, at Loudon Tenn. in Co. H. 39th Regt. N. C. Vols.
5. Were you a member of the same company and regiment? yes
6. How long did he perform regular military duty, and what do you know of his service as a Confederate soldier, and the time and circumstances of his discharge from the service? Served or eight months. He was a good soldier. While at Loudon Tenn. on picket duty he was shocked or struck by lightning, destroying the use of his left arm and shoulder, so that he has no strength and but little feeling in them. He was sent to hospital, and never did any more duty. Do not know about discharge.

7. What property, effects or income has the applicant? (Give your means of knowledge.)
Do not know

8. What property, effects or income did the applicant possess in 1896, 1897 and 1898, and what disposition, if any, did he make of same? Do not know

9. Has he conveyed away any of his property in the last three years, if so, what was it, and to whom?
Do not know

10. What is the applicant's occupation and physical condition? Farmer. His left arm and shoulder is without strength and emaciated from lightning stroke in army.

11. Is the applicant unable to support himself by labor of any sort, if so, why?
I should think that he is not able to make a living at labor

12. How was he supported during the years 1897 and 1898?
Do not know

13. What portion of his support for these two years was derived from his own labor or income?
Do not know

14. Give a full and complete statement of the applicant's physical condition that entitles him to a pension under Section 1254, Code? The loss of the use of his left shoulder and arm

15. What interest have you in the recovery of a pension by this applicant? None

STATE OF GEORGIA,

Gilmer COUNTY.

Personally came before me J. S. Lankusky and J. C. Allen, both known to me as reputable physicians of said County, who, being severally sworn, say on oath that they have examined carefully Joseph Davis, applicant for pension under Section 1254, Code, and after such personal examination say that his precise physical condition is as follows:

He is a farmer and a disabled veteran of the Civil War. He has been disabled since the war, and is unable to perform any manual labor. He is now a farmer and has a family to support.

We further say on oath that the physical condition of applicant renders him unable to labor at any work or calling sufficient to earn a support for himself, and that we have no interest in said pension being allowed.
