In order to avoid unnecessary delays to applicants and to enable all parties interested to understand the laws granting allowances to disabled soldiers, as well as the rules adopted by the Governor touching the payments provided, the following suggestions are submitted:

1. If an applicant has been wounded, the description of the wound should be carefully and fully set forth by applicant and physician, and followed by a plain statement of facts showing the *extent of the disability*. If applicant claims disability from disease contracted in the service, a full and carefully stated history of the disease should be given, tracing the disability by positive proofs to the service.
2. The law makes no allowance for an arm or leg, unless the arm or leg has been rendered *substantially and essentially useless*.
3. It will not answer to say that an arm is "substantially useless for ordinary pursuits of life, etc." There is no qualification to the clause of the Act in reference to the arm or leg, but the limb must for all purposes be "*substantially and essentially useless*."
4. If papers are returned for correction, and amendments are *added* to any of the affidavits, the amendments must be made *under oath* before an officer, and the proofs must show that the amendments have been duly sworn to.
5. Every application must be certified by the Ordinary of the county of the residence of the applicant. The certificate of any other will not be received in any case.
6. The Ordinaries of the several counties are specially requested to call the attention of the physicians and applicants to these points.
7. No payments can be made for any past year.

Dear Madam,

Replying to yours of recent
date - The law requires - all the facts
related - by an applicant for P.
Pension to be proven by as much as
our ruling - It is not necessary
for the witness to be a Soldier - If the
name of the date of enlistment - The Company
in which your father served - The term of
Service - & where & how he got out of
the army - was the writer his Communal
at Tazewell - If not where was he then
Come him there - These facts are unaltered
proven by Members & some P. of P. but
if any body knows them of this own knowledge
who can swear them - They are Compulsory to
do so - Thus prove means of these names
& facts - & her disengaging & then of P. of P.

Yours Respectfully

S. B. WINGFIELD, Ordinary

Athens, Ga., August 26th 1904

Mrs. B. P. Hill.

Dear Madam,

Yours of 25th inst. recd.

This A. M. I hasten to reply.
I have searched diligently & find no record of
the marriage license having been issued from this
office. It is to Mr. Richard S. Payton & Miss Susan
J. Lambkin. I searched records from 1838 to 1870 -
The marriage license perhaps was never returned to
the Ordinary in 1853 - the time you say the same was
performed. Licenses are often returned to me ten years
after being issued - Since I became Ordinary, I
invariably put on marriage license issued by me, notice
to return same to me in 30 days. Regret I cannot find
said license to City for you. Perhaps you can find some
one who witnessed said marriage & who on oath will swear
for it & this sent to Commissioner of Pensions will answer
your purpose. With kindest regards -

Yours Very Respectfully
