INSTRUCTIONS:

- 1st. This form is for widows of Service and Disabled Soldier pensioners, who died after November 1st. If pensioner died after January 1st, leaving dependent children but no widow, their guardian may use this form in their behalf.
- 2nd. Proof of marriage must be made.
- 3rd. Do not use the enormously large form of marriage certificate in common vogue throughout the State, suitable only for framing. Such certificate is entirely too bulky for use in any pension application. A plain certificate written on the back of the copy of marriage license is the proper thing.
- 4th. The Ordinary should examine the blank after it is filled in, and see that everything is fully and correctly completed, and the seals affixed, and that back of application, when folded, is filled in.
- 5th. Pay out no money on this application until approved in the Pension Department and returned to you as your authority to make the payment.
- 6th. Return this application with your final settlement to the Pension Department.
- 7th. The widow or person holding her proper power-of-attorney receipts for this pension by signing name, as widow, opposite the name of husband on the soldier pay roll.
- 8th. Only the one pension is covered by this application. Take another application, on the white blank, to admit widow to rolls in her own right. November 1st is the last filing date for the next year's rolls.
