Being on the point of going on a
long & perilous journey to the Creek Nation
I think it prudent to make a small sketch by
way of will wherein I appoint my true and well
beloved Friend John Houston my sole Heir &

&c. that I may be satisfied also that he be disbur-
ging some just Debts which is already acknowledged
the remainder of whatever property it may be left
to him and his Heirs for ever & without any
doubt or dispute
