

State of Virginia In the name of all mighty God
Kurt Gung

I Afforded being low in
breath but of sound disposing mind and reasoning do make
demon and publish this my last will & testament

First I commend my feeble body to the sweet above at
Carm and my soul to the hands of my Creator—

In making my disposition of goods & worldly effects as
I have set in my will & desire first the tract of
land upon which I now reside being part of the
lot I gave Joshua Parley Joseph Parley & and
Ophrah Heard and the Thon herd to be divided
or sold as a majority of them may deem proper

Second the title of land I hold in the County of Warren
March 122/ Am divided & being two and the 1/2 in the
district I give to the legal representatives of William
Parley & to the legal representatives of Caleb
Parley & to be equally divided & subsement
herein after named

Third I give to Benjamin H. Parley and his heirs the
tract or half of lot of land I William William Wood-
ward own before.

Fourth I give to my son Ophrah Parley and his heirs the
portion my wife left to Little Anthony, Eddy, Stephen,
Pete, and Celia and the same.

Fifth I give to my son Joseph Parley four hundred
dollars at Consideration of his services & to be paid
to a certain mortgage named Big Anthony &
which said sum of four hundred Dollars is to
be paid by my father named Executors as soon as
they conveniently can — I hold some notes made
by Thomas Marshall and Joseph Howard which I wish
to be disposed of as follows — I wish all my
just debts paid immediately paid — To my grandson
Joseph H. Parley of the sum of One hundred & thirty dollars
which he received at the age of four or five years which
is to remain in the hands of his father H. Parley until
making the same over to the said John H. Parley
when due — which is not to be less than 20 years
safe keeping

When I am engaged in the study of a subject, I
 do not mind the time I spend on it, but I
 do mind the quality of my work.

the only way to get the
the bulk of the stock must be sold off together with
under the present prices of stock the value
is so small that it will amount to a legal expense
of a few dollars only. I am, however, already
in possession of the legal title to the stock, and
I am willing to sell it for the price of the
stock at present.
