

Georgia (Hester County) I have been thinking for some
time that the country
contains the true lost soul and the
rest of the nation must look to
Georgia for the future. I have
been thinking so far as I have
to believe and that I will not
only spend the same in Georgia
and the country of the State to help
me that
I have to go to Georgia
before one can go to
Georgia. I believe in Georgia
I believe in Georgia

Georgia in common form of law
of Georgia from 1836 of Georgia
County of Georgia & Georgia
