Atlantians Take New Colors To Fifth Regiment, Which Will Soon Go to France

Governor Dorsey, Mayor Cand-
ler and Other Notables Will
Stage Ceremonial on Eve of
Force's Departure Overseas

Bearing the national and regimental colors which the old Fifth Georgia regiment, "Atlanta's own," now the One Hundred and Twenty-second infantry, will carry across the Atlantic and into the trenches on the western front, a party of representative Atlantians left Wednesday morning for Camp Wheeler.

Macon, to make the formal presentation. The old Fifth is going "over there" pretty soon and in order that the boys from Georgia's capital city might feel that their home folks still hold a warm place in their hearts for the famous regiment, the presentation of the colors

was arranged as a sort of farewell ceremony. The big event will occur at about 4 o'clock Wednesday afternoon, with a regimental review following the actual presentation. In the reviewing stand will be Colonel Orville H. Hall, commanding officer of the regiment; Governor Dorsey, Mayor Asa G. Candler, Judge John S. Candler and other notables.

Judge Candler will make the formal presentation speech, his intimate association with the regiment as its first colonel and organizing officer making his connection with the color ceremonies particularly fitting.

The first cars to leave for Camp Wheeler made their start from the Candler building at 7 o'clock, their departure marking the beginning of the journey of Atlantians to the "Central City" which continued during the forenoon by automobile and train.

Members of Party
In the party were Judge John S. Candler, Mayor Asa G. Candler, J. A. Allen, L. J. Daniel, T. J. Ripley, D. I. McIntyre, Harrison Jones, E. F. Bond, H. A. Maier, Oscar Palmour and Major John S. Cohen. Others who planned to leave later in the morning by automobile were Major R. J. Guinn, Colonel Walter G. Hendrix, former lieutenant of the old Fifth; Colonel E. E. Pomeroy, formerly colonel of the regiment; Eugene Oberdorfer, whose son is a lieutenant in the organization; William Warren, Jr., of Marietta; Miss Nan Stephens, Mr. Alonzo Richardson, Mr. and Mrs. Sam Slicer, Mrs. W. H. Kiser, Mrs. Richard H. Johnston and many others.

Governor Dorsey was in Dublin on Tuesday to attend a tractor demonstration and will make the trip over to Camp Wheeler to be present at the presentation, bringing several prominent citizens from that section with him.

Practically every member of the first group leaving Atlanta Wednesday morning is closely identified with the development of the old Fifth regiment. Judge Candler organized it in 1893 and served as its first colonel for eight years.

While the members of the Governor's Horse Guard and Harrison Jones and D. I. McIntyre were with the Blues, the former serving as captain, T. J. Ripley was captain of the Atlanta Rifles and regimental adjutant.

While Oscar Palmour served as captain of Company A."

L. J. Daniel was a member of the Horse Guards and Major John S. Cohen, who commanded a battalion of Georgia troops during the Spanish-American war.

Seven nephews of Judge and Mayor Candler are now in the military service of their country, while E. F. Bond has two boys wearing the khaki of their Uncle Samuel.

A Military Party
So the party that left the Candler building at 7 o'clock Wednesday was thoroughly military in every respect and their eyes sparkled as they thought of the boys down at Camp Wheeler who will shortly be going across to take a wallop at the Hun.

Carefully wrapped in tissue and waterproof casings were the colors that will go ahead of the regiment when it marches in review on stage occasions.

Absolutely waterproof, the design hand-painted on heavy silk, the regimental colors are exquisitely beautiful. The golden stars are shining on a background of misty clouds, while on the other is the insignia of the regiment. Many hundreds of Atlantians contributed to the fund which went into the purchase of the colors, ordered by Judge Candler to be presented by him in the name of the city, but transformed

CLEMENCEAU IS AGAIN VICTORIOUS OVER OPPONENTS

Chamber of Deputies Gives
Vote of Confidence in Aged
Premier as He Appeals for
Public Support

PARIS, June 4.—Premier Clemenceau gained another victory over his opponents in the chamber of deputies today before a large crowd which packed the chamber to its capacity. Every deputy was in his seat. The premier argued that this was not the time to discuss military operations, and the deputies upheld him in a somewhat stormy session. Cool and collected as he walked back and forth on the wide tribune, while a storm of interruptions from the Socialists surged up from the house, the veteran leader resembled a weather-beaten captain pacing the bridge of his ship, lashed by a heavy gale. The premier spoke without bitterness and when referring to the sights he had seen at the front recently his color assumed a tone of intense sadness.

Premier Clemenceau eulogized the French and allied armies, saying that the soldiers had fought one against five and sometimes one against ten.

Ruby Hilton Acquired
Of Charge of Vagrancy

Ruby Hilton was found not guilty of a charge of vagrancy by Judge Andy Calhoun in the criminal court Tuesday afternoon and was discharged from custody. The defendant claimed she was employed in a restaurant and produced a bank book to show she had money in the bank.

Not long after the first party left for Camp Wheeler another group made their departure by automobile and train. In this party were two of the three little "mascots" of the old Fifth, Miss Jacqueline Cobb Moore, daughter of Mr. and Mrs. Wilmer L. Moore, and Miss Charlotte King, daughter of Mr. and Mrs. Charles King. The third "mascot," Master Thomas Dickens Arnold, with his parents, Mr. and Mrs. Reuben B. Arnold, will motor up from Florida to attend the ceremonies.

The three little folks will present the national colors to the regiment, having a prominent part in the ceremonies. A detachment from the Women's Motor Corps will also be on hand at the presentation, coming to Macon from Dublin, where they put on the tractor demonstration on Tuesday.

Major Wade H. Leahy, chairman of the presentation, will make the arrangements at Camp Wheeler and quite elaborate preparations have been made to celebrate the event. An interesting military program, including battalion and company drills in close order and battle formations with bayonet exhibitions and grenade throwing, will precede the actual presentation ceremonies. After the event the officers and their friends will give a dance in Macon and the enlisted men will attend a reception at Camp Wheeler.

High School Boys to
Repeat Spanish Play
At Atlanta Theater

Much interest is being shown in the presentation of the Spanish play, "Castillos de Torresneblen," which will be given by the pupils of the Spanish department of the Boys High School on Saturday evening at 8:15 o'clock at the Atlanta theater. The play was given recently on a smaller scale at the Commercial High School, and the boys made such a marked success of it that it was decided to repeat it with additions and improvements.

A seven-piece orchestra will play, and the Spanish music with its gaiety and rhythm, will add much to the program of the evening.

Albert Stanton, who made a great success in the first performance by his rendition of "La Paloma" and "La Golondrina" and other folk-songs, will sing again; and M. J. Sheffield will again accompany him on the guitar.

Frank Akers, one of the "senoritas" of the play, has rehearsed so much that he has become quite fitted in the art of coquetry and makes a very attractive Spanish flirt. Houston White and J. C. Shelor, as the Duke and the Torador, will stage a very realistic duelling match, and there will be other features of interest.
