Minute of Council,

His Excellency having ordered the case of Sir P. H. to be considered the Petition of the said Sir Patrick Houston to be relieved from the Disqualifying Act/ which was presented on the 20th Sept and then postponed/was read. and in Support thereof was read an Affidavit of Andrew Maclean of Augusta, Merchant: Also by his Excellency's permission was read a letter to him from Lt. Coll. Cruger, Commandt of the King's Troops at Ninety six, in Favour of Sir Patrick; for the Alacrity & Zeal he showed in joining the Troops, and acting with them, at the relief of Augusta & the Garrison there under Lt Coll. Brown, when lately attacked by the Rebels:

On which, His Excellency desired the opinion of the Board, whether Sir Patrick in consideration of the zeal he had shown in support of Governmt, as set forth by Coll. Cruger's letter, as well as the whole of his conduct before, being such, as manifested a disposition to leave the country, and detach himself from the Party in Rebellion, should not be restored to the Rights & privileges of a Loyal Subject.

The Board was unanimously of opinion, that in consideration of Sir Patrick's past conduct, throughout; & particularly in this late instance, mentioned by Coll. Cruger; Sir Patrick deserved to be relieved from the whole of the Disqualifications & Incapacity imposed on him by the Disqualifying Act, and that he should be forthwith restored to the Rights & privileges of a Loyal Subject. It was therefore ordered, clerk, should prepare an Order of Council for that Purpose in Behalf of Sir Patrick, agreeably to the Form, and insert therein the following State, as deduced from the petition & several proofs now read, ----- and whereas Sir Patrick Houston

John Murray of Christ Church parish Esquire being duly sworn saith, That on or about the 8th day of September last, the Deponent was taken prisoner on his passage from S^t Augustine by water; That he was then sent as a prisoner on board of the Languedoc, a French Man of War commanded by the Count D'Estaing, where amongst many others the deponent saw John Glen formerly of Savannah Attorney at Law: that the deponent being particularly acquainted with the said John Glen entered into conversation with him; and amongst other things upon M^r Glen's declaration and assurance of meeting with success on the expedition against Savannah the deponent expressed his wish to him that as he the said Glen expected to be powerful, he hoped he would be also merciful, by using gentle & lenient measures towards the friends to Government, to which M^r Glen replied, "that it was not now a time to use gentle & moderate measures, but to make reprisals and to retaliate for the injuries which had been done to their persons and their properties," or words to that effect, And further saith not.

MAY IT PLEASE,

Your Excellency

Agreeable to your order in Council,

I have considered the memorial inclosed - signed "John Houstoun"

I have also searched the Crown Office, and by Information on Oath there lodged, I find that person, is charged with having been very active - in the Rebellion, which lately prevailed in this province and particularly, that he acted within the same, - in the capacity of a Governor; and further, that he - was before the Town of Savannah, associated with the Rebels, when the French beseiged the Town; and by the papers alluded to in his Memorial, I find he did not submit himself to his Majestys Authority, till some day after the reduction of Charles Town, Notwithstanding - Georgia, the proper place of his residence, and Savannah the capital, had been Eighteen months before in - His Excellency Sir James Wright Bar^t - possession of the Majestys troops, and Twelve Months, at the Kings Peace, as declared, by proclamation of the Majestys - Commissioners, for restoring peace in America; - So - circumstanced, I humbly conceive, The Kings pardon, only, - can afford the protection sought after, and that your Excellency cannot, grant the Indemnity prayed for. -

Return of the Wilkes County Regiment 1781

From Camp Johnssons, 2^d Nov^r 1781.

May it pleas your Honor -

by my hearing Sir you, where to be at M^r Middletons tomorrow had it not been that I received an Express from Genarall Twiggs that a party of Indian traders, and one Indian, set off for the Cherokee Nation, with 40 pack horses, loaded with goods & amunition, - which I want to intercept if possible, tho they are set off, about 8 days, I have dispatched a mesinger with a letter to Col^o Clark, so has provented me from seeing your Honor, this time, about several important maters, one of them is, Sir, I understand, the men that took the Indian Country men, upon the Indian Land going to Savannah - which I can prove, the M^r Tally, makes out a fare tail, but Sir one story is good, till another is told, I believe M^r Tally is a subtle deceiver, I was not with them, when they where taken and what I bought I paid for, at a sofisht price, and what I paid is still in being, so it will be no loss to me, only I whant Sir - everything opined in a clear light, for the sake of the men and the good cause of our Country, if it tried in our part of the County that we can produce our evidence, I am content, besides pleasyd. . Honor, I have desired, Esq^r Hill, to wait upon your Honor, for to mention several maters that I want to be informed about, which I hope your Honor will revolve,

I am your Honor, most obdiant &

Hum^l Ser^t to Command -

Jesiah Dunn.

10th Feb^y 1783

Gentlemen

It is with reluctance I trouble you, the my
necessity is pressing. The fate of War has deprived
me of A Husband who fell fighting for his Country which
by an Act of the last Assembly intitles me to an Annuity,
from the State, but such is the present situation of this
Country that I have no reason now to expect it - I only
have now to request that your Hon^{bl} Board will be pleased
to Order me A quantity of Corn sufficient to support my-
self with a family of 9 persons who has no other means of
substance and the favour will be gratefully Acknowledged

Notwithstanding the many applications made to the very worthy Commissary for the Supplying this post regular with provision have proved to no Effect, many have been the days I have been without one Mouthfull of any Kind of Provision to Subsist on, hunger they say will brake through Stone Walls.
