

### **Death of Sister Catherine.**

The JOURNAL regrets to have to record the death of Sister Catherine, superioress of the convent of the Sacred Heart, in this city, which occurred yesterday afternoon. Deceased, whose family name was Alice Gordon, was 41 years of age, and was born in Dublin, Ireland. At a very early age she entered the sisterhood, and her life was devoted to good works. The funeral, which occurred at SS. Peter and Paul's church at 10:30 this morning, was very largely attended, and the services were of the most solemn and impressive character. The remains will be taken this evening to Savannah for interment.
