#### Short State Stories.

The Central railroad has placed a new train on the Estenton branch.

The work of laying the Jekyl Island cable by the Bell Telephone company has

Several ponds around Rome were frozen over by the late cold weather, and skating parties have been the fashion.

The barn and contents on the place of W. J. Johnson, one mile from Creswell, was burned on Saturday night, sutalling a loss of between \$400 and \$500.

Prof. J. Colton Lynes says that if Thomsaylile will give the Bouth Georgia Military college \$3,000 per annum it will put the institution upon a firm and successful basis. The steamer Hessie brought news to

Brunswick Tue-day night that she picked up the body of a young white man near the mouth of the Altamaha river. He was drowned near Jesup. drawn from the surrounding country.

J. T. Porry, of Americus, was the victim of a very painful accident on Sunday last, which has laid him up for repairs. His cow got into the feed bonse and was belping herself to the good things stored there, when Mr. Perry attempted to drive her ont. In some way the oow stepped on his left foot, breaking several of the smaller bones in it.

Dr. William W. Jameson, of Columbus, was called to attend a baby Monday moreing in Phenix City that had face, eyes and nack with a small forehead, but without any head above the fereneed. In all other respects it is perfectly formed.

Between seventy-five and one hundred negro isherers arrived at Americas on the Central train Tuesday from Thomasville to work on the Savannah, Americus and Montgomery railroad. The entire gang will be put to work at once widening the roadbed on the Montgomery end of the

Judge E. B. Atwater, of Thomaston, died Monday. Judge Atwater was about eightynine years old. He was born in North Carolina, and moved to Junes county in this state, and from there to Upson county

more than fifty years ago. He was one of the most prominent men in the county.

A foot ball game in Savannah Monday was witnessed by 4,000 speciators. G. I. John, of Macon, has compromised with his creditors at seven conts on the dollar. Out of the \$7,000 of liabilities the

Cedariown is one of the smailer Geor, is 4 . 3 cities which made marked progress lust vear. The general improvements have been steady and increasing, and of a sutstantial nature. Several residences have been built that would do credit to any city in Georgia. The city government has expended \$50,000 in a waterworks and electric light system, that is inferior to no system of its size in the country. There is also a complete system of sewerage being put in at a cost of several thousand dollars. That with the healthy locality of the town will make Cedartown a most desirable place to live. The city public schools are the pride of the term and are perhaps the best and the pride of the term and are perhaps the best and the perhaps the perhaps of the input only by the large patronage of the inmedia a term, but he the large patronage

## "Almost as Palatable as Milk"

This is a fact with regard to Scott's Emulsion of Cod Liver Oil. The difference between the oil, in its plain state, is very apparent. In

# Scott's Emulsion

you detect no fish-oil taste. As it is a help to digestion there is no after effect except good effect. Keep in mind that Scott's Emulsion is the best promoter of flesh and strength known to science.
