FROM THE ROSTON STATES
LOVE AND WINE.
Here has health to blass eyed Ada,
Whom my heart hat chercined long.
Here's a health to stark is still laabel,
The fairy child of song:
They are worthy of the cholecut cum.
That ever it possible That ever lip could drai -Like their own bright spities spack! I is a cup of pure Champaigue.

Here's a health to queen-like Florence, With her proud and lofty brow — Here's a health to laughing Viola—

And the other in good old Port.
Here's a health to blushing Constan.
Here's a health to wild Ade!,
Kere's a beath to wild Ade!,
Kere's a beath to wild Ade!,
And ser bomin Goldrid! Greet sind,
And laid the many dance—
I'll relete them in the lightest wince
Of bright and suncy France.

Here's a health to thee, lanthe, whose my heart so well hath proved Thro' pain and pleasure; weal and was, East maned, but he st televed. Here's shealth to there—but stay, my lips fave yearded each manding how!—So I'll predge ther is a purer one. The deep fount: 'the sound.

CONGRESSIONAL.

IN SENATE OF THE U. STATES. JANUARY 30, 1828.
REMARKS OF MR. COBS. OF OFORGIA
On the Uill making processor for the Survivi
Officers of the Recotation, on the continent
cast influence.

recompletes for exercit years had servives, in which the limits and fortunes of large and the services, in which the different services of large and the services of the servi

licia commutation," that one was greated.

Thus far, Mr. C. cross-soled, it would be commutate the oliciers had no right to commutate the commutation of the commutat

star. The commutation, then, is construct, agreed to upon full and many accounted eventured one party, and the office of the context of the party, and the office of the context of the party and the office of the context of the party and the office of the context of the party and the office of the context of the party and the office of the context of the party and the office of the context of the party and the office of the context of the party and the office of the context of the party and the party and the context of the party and the p

were contain, all accepted, and were asti-iried.

But, again, it had been urged and with preact force, by the Chairman of the Com-mittee, 1Mr. Woongnar; then the com-mutation was inadequestly because it was not of equal value with the half pay for-reformed that both made so the activity tables. Mr. C. acknowledged that he had but little skill in the calculation of the value of annulines; but he thought that, he could demonstrate that, at the time of the past—of of the chammation act, there-wer person surged in it, whose skill, when the could demonstrate that, at the time of the past—of of the chammation act, there-ther the could be contained in the case of the bast has gain and the country of the bast has gain and the country of the bast has gain and the country of the Col. Hadritton, who so much distinguished theself, althoughert as feet days of the coll than the country to the

fire fully satefied; nor was it supposes that the subject would cere gain be agreated.

But it is said that the commutation was not paid in money, but in certificates, which the necessities of the officers commutation with the money of the subject of the subjec igation to them upon the score of justicular than the redemption of these certifcates, so soon as the means of its Trassity samid scrain. In the curse of time,
this was store; not, indeed, by the Gathermore of the control of the control
