RAIL-BOADS. In reviewing the history of the human new, we find every remarkable increase civilization to have taken above very much in proportion to the facilities of in-recourse enjoyed in particular situations;

FROM THE MASSACHUSETTS JOURNAL. BOLIVAR.

748, separated from Turkey by the moonnies of Transy-lanis and the waters of
the Bauthe and the Saxe, has now a free
cease to Servin and Bassin, by her acpisitions its Venetian Dalmatia. That,
or arrounded, see exposed, and so fiethle,
furder must one day fall, requires not
more diffusion of the second of the second of the
transper diffusion of the second of the
nor diffusion more lift her head. He
then tumbles from the effect of a blow
may get up again; but his own weakness
desperate. Still the day of humiliasization of Islamian in Europe may be for
sixation or will the interference of the A
est tend to hasten it. They would handly
the second of the second of the second of the second of the
cause in her, to fight to protoct them
lyes in the event of any power, at any
tire period, strenging to make aggreeton upon Turkey, which could have green
to barved.—London New Turkey
