Chief of the Cheroker States to the National Council:

FRON THE CHEROKE FRENCH.

The circumstance of our Government assuming a new character under a constitutional torm, and on the principle of republicanism, has in some degree, excited that this excitement should have been manifested by such glaring expressions of nostility to our true interests. By the adoption of the Constitution, our relation adoption of the Constitution, our relation size of the Constitution, our relation of the Constitution, our relation is size of the Constitution, our relation is size of the Constitution, our relation size of Texalies, is not in the least degree facted, but on the contravy, this improvement in our government, is strictly in accordance with the recommendation, views and wishes of the Great Wash are considered, but of the Constitution, and protection were made, and whose policy in regard to Indian virilization has been strictly pursued by the subsequent administrations.

administrations.

The pretended claim of Georgia to a portion of our lands, is alleged on the following principles First, by discovery.—Secondly, by conquest. Thirdly, by com-

lowing principles First, by discoverysecondly, by conquest. Thirdly, by conpact.

I was a supplemental principle of the claims in
the character of the claims. In the first
themsetre of the claims. In the first
