House Furnishing goods.

This department is a Store of itself. The tables are loaded, the counters are crowded and the shelves are strutted with these lovely Dross Fallings, from the soft subdued spring shades on Tania and Grays clear through the popular line of colors to the Royal Heliotrope; the stock bristles with beauty and sparkles with spleador.

State of Tania Curtains, the lowest price ever known. Chinele down the Royal Heliotrope; the stock bristles with dow Shades and Window Poles, vast variety; Mountains of the Royal Heliotrope; the stock bristles with dow Shades and Window Poles, vast variety; Matting Carpets, Rugs, Etc. Will show the big-cest stock and the lowest prices of Fancy Matting ever in the city. ever in the city.

Shoes.

Our Shoe stock makes a customer feel like he was in a big shoe store. Mene Shoes of various shapes of hele and toes, and warranted. Ladie Shoes of the best make and Buttons to match the Dress Goods. The latest novelties in Dress Trimmings, Laces, Veilings, Hossery, Handerchiefs, Ribbons, Etc.

Clothing and Hats--Up Stairs

It looks as if we were going into the Hat and Clothing business exclusively. Upon entering this department you see stacks of Hats and pyrimids of Clothing. This stock we are proud of, more especially because we buy both Hats and Clothing direct from the factories, thereby saving the middle man's profits, enabling us to give to our customers better goods for less money than any bosse in the city. city.

Groceries. The lovers of good Coffee, good Sugar, good Flour and good everything in the grocery line should not fail to see our big stock. In fact the whole stock, from beginning to end, and from cellar to garret, was bought as low as set, would buy it, and nowhere are better goods or lower prices to be had.

A Valley of Death in Bolivia.

"There is a valley in Bolivia, South America, which might well be called the Valley of the Shadow of Death," and Edger Shapeton, "It has been varied Edger Shapeton, "It has been venry the Kanas Indians, who are kindred to the various South American tribes and namber now only a few and the varied south the varied south and the varied south and the varied south a powerful tribe is indicated by the condition of the land which they as a powerful tribe is indicated by the condition of the land which they as a powerful tribe is indicated by the condition of the land which they as a powerful tribe is indicated by the condition of the Kanas dead. These places cannot be called graverals, for the bodies are not buried, forms, wrapped in the garments of death and bound to the crossbeams that they may not be displaced. Here will be probably 50 high skelston platforms, and on each will lie from three to five of the Kanas dead. The sir in preservative, for it is one of the high-reservative, for it is not of the high-reservative. So that title below the continuous that the land a singlet and by moonlight would be awestricken at the gloomy vision these graveyards present.—S. Louis titlee-Leanere and the land of the l

On one occasion when Harriet Homer, the sculptor, was soldressing an audience of cludwomen on Greek art she alladed depectably to the flowing the sold of the sold of the sold of the sold upon her hearers the important fact it age of Perioles. But she important fact that it was a 'levels-smitted to that period down and when no public daty was demanded of them. "Beautiful as it was," she said with her delightful langh, "we could not imagine a nine-langh of the sold of the
