Base Ball.

Last Friday afternoon the Nacoochee and Blue creek base ball clubs crossed bats at the grounds of the latter, and an interesting and exciting game was played. Both clubs are composed of amateur players, but some excellent plays were made on both sides. Virgil Hunter and Irving Black composed the battery on the Nacoochee side, and Herschel Kenner and James Holcomb did the heavy work for the Blue creek team. At the end of the ninth inning the score stood 38 to 48 in favor of Nacoochee. A number of visitors from Blue creek, Cleveland and Nacoochee witnessed the game, and much interest was felt. The Blue creek club will try them again, they say, at an early day, on the Nacoochee club's grounds.
