The Whipping Post. The Whipping Post was adopted in the House of the Kentucky Legislature on the 6th inst. by a yele of 63 to 21. The bill as vote of 63 to 21. The bill pro-vides that the offense for stealing yndes that the onense for stealing money, chattels or goods, where the value is less than tendollars, shall be punished with 30 stripes or a fine in the discretion of the pary. The argument advanced by favoring the measure is that will save the jails from being vercrowded, and at the same me carry such terror to the petit enists that that phase of crime hich so burdens the dockets of the criminal courts, will be in a great measure diminished.

We see that one Stephen Me the 16th in Corkle, an educated colored man, the senate is now canvassing the state of Georgia with a view to re-estab lish the whipping post as a pun-ishment for misdemeaners and the establishment of penitentiary the establishment of pententiary systems, within close walls, that will not bring convict labor into competition with free labor. He has canvassed several states, and met with great encouragement.
