Points For Business Men. An exchange thus puts true canons of advertising."

1. All men in business must

All men in business must advertise in some way. All men in business must advertise is some way. All men in business do advertise somehow.

2. Newspapers afford the less general medium.

3. The object of advertising is simply to bring buyer and seller (together—successful advertising) must, therefore, do three things must, therefore, do three things at the things on sale.

B. It must reach the class like by to buy.

C. It must normal

B. It must reach the class likely to buy.
C. It must persuade them that it will be to their advantage to come and buy.
4. The interests of sellers, buy, ers and advertising medium are mutual;
5. Sellers, buyers and wewspa 5. Sellers, buyers and newspa pers are all three equally interes ted in sustaining this mutual re-lation.

intion.

6. The common action of partrange as regards newspapers is fallacious. As all persons are fallacious. As all persons are supers, all sellers should be advertisers. As acarly all persons are sollers, all buyers should take newspapers, in both cases for their own sake, not the newspapers are sollers, and the newspapers are sollers, and the newspapers are sollers, and the newspapers are sollers.

per's sike.

The profits of well conducted
twenty and the profits of well conducted
twenty are a measure of the
business prosperity of a community.
We all thrive together by
contributing to the support of one

contributing to the support of one another.

"This is truth in a nutshell, and needs but a line or two to make it perfect, to wit: Nearly every successful business man in the country who has made a large fortune in trade has been a liber al advertiser in newspapers.
