DOMESTIC.

To the Killers:
In pollushing it is following Revolutions
adopted by the Tempéraner Society, recentily organized Chalacter county (Va.)
you will confer a favour on all the LOVERS OF TEMPERANCE.
Resolved, That this Society regy d the
intemperate use of spirituous lapinor as
the most general and the most details e.g.
which allows our Land, and that, in our
which allows our Land, and duty, in our
of all the temperate and virtuous part of
our Community to make an untiel, rational-airporous and percerving effort to
arrest its progress.

CAUSES OF INTEMPERANCE

The subjected arount of a very times and ratios literature. The subjected arount of a very times off a schient, is expired from the Cardinati Commercial Register of the 4th inst.

**On a Surary morning last, about five niles below Bog Bure, and finy-tive nuice from Cardinaty, the boiler of the seam lost Union barst, peaking in test of a seam lost Union best, peaking in test of seaming the seaming the book and all doing and source the seaming to the seam of the seaming the seaming the seaming the seam of t

ment may been entirely singended, if not brought to a close.

Mr. Adams beginnited to his ear. Mr. John Q. his meanton intone and variodic papers.

John Q. his meanton intone and variodic papers.

He gave to the town of Quince, a valuable for I fand, estimated at 8 10, 000, to erect a greante house for the Church of which he was a mendor for 60 worst.—

He also bequeathed another int of land to district the was a mendor for 60 worst.—

He also bequeathed another int of land to district the was a mendor for for the use of that Academy. Heaton Polladina.

The late Dr. Prankin placed ever the grave of his father and brother in the Gaston of the material on which it was cut. A number of citizens of Boston to permit them, occured on the same sport a suitable monument, bearing the original inscription. "desirons," as key way, to preserve for some and variety of the properties and succeeding reconsideration be enjoyed fronty and visible monument, bearing the original inscription. "desirons," as key way, to preserve for some and visible monument, bearing the original inscription. "desirons," as key way, to preserve for some and visible monument, bearing the original inscription. Such on a consideration he enjoyed fronglound Christon among them, and rose to the great consideration he enjoyed fronglound Christon. The communication was character." The communication was desirable to the estimate of an architect, will coateloated.

Nineteenth Congress.

NINCHES STOOD SESSION.

IN SENATE.
WEINSLOAD, Dec 13.
Agreeable to notice green, Mr. Aling soked, and, among olutured leave, introduced a bill to authorize those persons who have tempopashed lades under the previous of on palled lands, to purchose the same at one public lands, to purchose the same at private sede, at laded price, which was read, by unanimous consent, and reviews on public Lands.

the times that the desire event and here-iner to be fixed, by the Steer, compen-tively, to the purposes of education and intergual lung-consumpt, will probably sur-mes any thing that the most sanguine feeded of the country have auticipated.] On motion of Mr. Alferjit was a Poh-le Lunds be instructed to recognize into the expediency of granting a pre-conjuin-agit to such precises when their playing a lived price on or before the day for Poh-merhold latter for large superior to the consideration of Mr. Plater, it was Kenderd, Trust the Consulter on Pen-sions to naturated to empire into the ex-pensions to particular the con-trained for the property of the con-traction of Mr. Plater, it was Kenderd, Trust the Consulter on Pen-sions to naturated to empire into the ex-position of the day of the pro-vious property of the pro-vious of the theory many the pro-vious of the theory many the pro-sent and sudders, in such amount that the bount of the theory many the more possible of a present of the pro-posal and sudders, in such amount that the bount of the theory many the pro-posal and sudders, in such amount that the bount of the theory many that the pro-posal and sudders, in such amount that the bount of the theory many than the pro-
