## William E. Walker,

THE LORD'S PRAYER.

THER of all 1 who dwell'st above, fly name be ballowed here: in these realms of peace and love, where saints that name revers.

Thy kingdom come; thy will, alone, Be done by man below; As spirits round thy glorious throne, Their pure obedience show

Give us this day our daily bread; Not merely outward food. But that whereon the soul is fed, The source of heavenly good.

Forgive our trespasses, as wo In pardoning love above; Since none forgiveness win from theo Who pardon have denied.

And lead us from temptation far; From evil, Lord, restore; For thine the power, the kingdom, are, The glory evermore!

### A HINT TO HUSBANDS.

A HINT TO HUSBANDS.

If your wife is an entable woman, if, as the wise min says, there is kindnoss, meckness, and comiont in her tongue, then is her haband on the other men. (Eccles. xxxvi. 22.) Praze, therefore, her worth; understand her value, for, great indeed is the treasure you possess.

For indeed is the treasure you possess, it is consider a religious, sensitie, well-indeed woman, one of the noblest objects in creation: her conduct is so considerated woman, one of the noblest digical and well-regulated; her friendship was a religious, and the sense of the noblest digital and well-regulated; her friendship was a religious of the sense of the noblest digital and well-regulated in the results of the sense o and lenderuess." No where does shi-sppear to so much advantage as in the chamber of the sufer, sympathising the wants of the sufferer, sympathising in his pain, and pointing to his heaven! et!; as our great Scottich bard say." When pain and anguish wing the brow. A ministering many laws to the brow.

est; as our great Scottish bard as as,—
When pain and agnish wing the brow,
A ministering anger thou?"
O! how mouth were lovely and interesting to the heart does she appear is
-uch scenes, than in all the blaze r
cauty, armed for conquest, and decorated for the brilliant exhibition of a bai-

oom.

Among the many amiable qualities of woman, I cannot bely noticing two, ith which she appears gifted in a peuliar degree—resignation and fortitude. I remember hearing an eminent phycian say, that he has been constantly out k with the superior quietness and which she appears gifted in a po-pairar degree—resignation and fortitude. I reasember hearing an emioner phy-ician say, that he has been constainly study by the constainty of the constainty study by the constainty of the constainty study prin and suffering, as sell as air, the other evits of human life? When sensible and superior part of the con-text not, therefore, the military or neval nero suppose that fortitude is confine. Let not, therefore, the military or neval nero suppose that fortitude is confine, to his own profession; that it could on by the met with on the plains of Water-loo, the waves of the occan, or the burn-ing deserts of Egypt? No: it may also be sought and tound in the gentle breast-of woman. It accompanies her to the critical and either chambers; it supports be sought and touri or the goale breast of woman. It accompanies her to the retiried and silent chambers; it supports and disappointment; it teaches her to sympathize with her husband and silented by the summarized by the summar

done "
Has it never been remarked, how very superior, in point of discretion, woman is to man? Now reader, do not mistake me 1 mean not to say she possesse more sense titals, in this par ion iar, man claims, and we allow him, the preregative; though certainly, it is not every sonance that proves its treth—But is the quality of discretion, woman we decidedly and undoubtedly his superior. Unless it particularly concernshimself, a man seldom locks to the future consequences of what he either says or

of the wise and good; and, above all, they possess his fevore, "whom to know is like tetrnal." Of proud lords for the tetrnal." Of proud lords of the creation, if Heaven, in its great for the control of the creation, if Heaven, in its great for the control of the creation, if Heaven, in its great for the control of the creation, if Heaven, in its great for the control of the creation, if Heaven, in its great for the control of the creation, if Heaven, in its great for the control of the control o

I reteremend his counsel, "but if you lesse I'll tand by and look on a little longer." When the buttle and noise were over a little, i went down to the Dale to spend the summer with my uncle. The good dame had begon the work of reformation; cunning as a for, she had broken cround gen ly at first. There was a reten, new mirror, hong low in the parliant; a bold eneroactiment, for the elliperity of the summer of the summe

exclude the idea of equality, a vuigat bettine that had long been prevalent in the Dale. M good uncle yielded inch effer inch to he worthy spones, smill the old house was fitted up in great style, and a com-mon farmer would hardly know wher-to est down his great clause; post in it.— She obtained ever him a wonderful as-docine as I amb. Sometimes, it is tree, be looked sorrowful, and sighed deeply, and took his broad brimmed hat and cane, and tradged over the fields to eighbor Hodge's, to ait and smoke his pipe again in an eld onk chart by the gratchimney-place, and when there, he essemed losh top buck again; but he loved peace, and always went home ai-test time.

loved peace, and away rest time.

My aunt was a women of falent. Shi did one thing at a time; she was nife to be successful in whatever she understook, for she best all her mind to the single object. At the single object, we mountains. She had now set her house to rights, as alve alled it, such from sondry hinter and pre-pressions. Hogen ere losing to surraises hat she intended setting her old man to

using some wards be put upon his trial bould afterwards be put upon his trial he offence. A Magistrate, sworn to e are the laws, and afterwards tried by two, before a human tribunal, the Sen or example, would in vain plead a div outd...sion to do what he had dont many and a new would make What a figure such a plea would n a republican government! How would it be urged to a Senate or

## THE RESORDER.

MILLEDGEVILLE, APRIL 16, 1827

A letter to the Secretary of War fro Col. White, the Delegate to Congress from Florida, urges the removal from that Ter-ritory of all the Indians, and offers some cogent reasons, sinxing the necessity of this measure. The Delegate's letter pro-poses their incorporation with the emi-grating part of the Creek Nation, of which they were criminally measurements.

ed by the Government for pron emigration of the Creeks well calculated to effect that object, which we view as clusively for the emigration of the McIn-tosh party, it would have been much bet ter we think, if inducement-

or other obstructions. CHARLES E. ROWAND,

State Legislature. - We have be en the pointent horizon, that, as the s-men say, we really could not disco-land; and therefore preferred the an-atmosphere of the city to the murky pect of the Capitol. A great change the condition of affairs has taken pla-

State may now be relied upon.

An extraordinary clunge has te
place in public opinion in relation to
next. Presidency. Mr. Adams had

Jackson-Hich Eng.

A Dinner was given on the 28th of January, to General Le Fayette, by the intuary, to General Le Fayette, by the indee. After the Department of La Vendee. After the state of the Control of the Control
market:

"But nothing could equal the enthusiasam with which the short address of
Mesors. Manuel, Dupont, General Lafaytee, and his son, was received; all of
whom felicitated the X-endeans in having
prescrete the energes of their failures,
mate the youth of France throughout the
mate the youth of France throughout the
which are a pledge to our
beautiful country of future happiness and
Liberty.

Very general emotion was felt on the simultaneous rising of five young Americans, of Louisamus, to express their acknowledgments and wishes, for an eternal cliance between France and the United States, and the hope once inner to hear the control of New York salute on his srivat, the friend and companion in arms of Wushington."

Washington."

Fertility of Floridz.—A traveller returned from F. ids, says it is the most fercountry he ever found; the lands produm forty bushels of frogs to the acre, and ligitators chough to fence them.

CHARLESTOS, April 10.
Major General Haows and suite, leter yesterday afternoon, in the steament Augusta, for Savannah and Augusta

Miledgeville, 30th March, 1877. Still Ordered, that the letters addressed by the Secretary of War, of the beh and 50th Bey, its agent, be published for the material of all Concerned.

By the General Concerned.

E. H. PIERCE, Sec'ry. DEPARTMENT OF WAR, March 8th, 182

March 8th, 1001.

I have the honor of informing yo apor John W. Hunter, has been at the agent of this Department, for the maintenant of the claims of the Milit this years one thousand seven hundred and sincely two, three and four, and of enclas-ing a copy of the instructions with which he has been throughed.

I have the Souor to be, your obedient servant.

JANES BARBOUR.
His Excellency Georgia, Nalledgeville.

Governor of Gargia, Nalledgeville.

DEARTHEN TO WAS.
