JOHN QUINCY ADAMS.

JOHN QUINCY ADAM-sage having been read-or moved the reference of the the Judiciary Committee. At a flought ir a fit subject for a to the Committee on Indian Af-he did not now thisk so, as questions a volved in the mes-

on y new, equally transcends the limits of a form in ord did he are the duties which appropriately belong to ogglt rather, if per the duties which appropriately belong to ogglt rather, if per the duties which appropriately belong to ogglt rather, if per the duties y committee. I state it thus:

Let be record to mittary force, byfor 24, and the duties of a determining the rights of one of the Sourceign States of this Confidency 2.

The question, sir, is now comparatively the State in its per unimportant. The feeling of indignation, State 3 is now that the state in the times in which we like he would derive the state in the times in which we live, would are to resort to it. Or, if he had the unadacity to does, he would trug down upon himself open a secretion of record.

esting inquiry, which every lover of peace, every fread to the Union, will delight to every fread to the Union, will delight to every fread to the Union and the Union against the Confederacy, etilize in the form or the field. If happily such a measure cash dedevand, if finding the time to the time of the time of the Union against the Confederacy, etilize in the form or the field. If happily such a measure cash dedevand, it is the time to the time of the time

cing through these effects, to subshit to the second to be rights of that State. He that he are to the rights of that State. He that he are to the rights of that State. He that he are to the rights of that State. He that he do not be rights of that State. He that he are the rights of that State. He that he are the rights of the state of the rights of the r

setion, on the motion of Mr. Bersier it to a Select Committee of
then put, and carried; and the
