Exports.—It is a source of inuch gratincation to observe, that our citizens have
conumenced in good earnest the cultivation of Tobacco, and have succeeded so
well in the last crop, that it has more
considerable of exportation.

Our soil and climate are found by the
planters of Virginia and May land, to be
admirably adapted to the cultivation of
Tobacco, and as it evidently must become
a rapid commerce will double first failgenee
to entage their crops, but be careful in
the outset, to gain a good reputation for
the article in othe market.—Engineer.

THE RECORDER.

It is understood that William H. Craw-ford, late Secretary of the Treasury, has been appointed by the Governor Judge of the Northero Cureuit, to fift the vacan-og of Judge Dooly, who died at his planta-tion in Lincoln in the course of the last week.

We have had a glance at the huge vo lame of 846 pages, containing the Docu-ments on which the H. of R. founded their Report on what was called the Georgia Report on what was called the Georgia |
Controversy, Among other strange things embraced in this volume, printed at the public expense and bearing the title of Documents, is Maj. And ewe' publication in the National Journal, abusive of the Georgia Commissioners. By what art of Aoris pozze did this intemperate production, which was nothing more than a newspaper philippie, find a place among the public documents? The volume contains emough to convince wery one who will be last the patience to read if, how active, were the exercices of a certain party in this State, to sextain Convelle, to invalidate the Teesty of Indian Springs, and to Blast the character of Col. Compbell, which is now area candidate for Governor!

In one of Maj. Andrews! Letters to the Secretary of War, he transmitted a rayer in purporting to be a mymorial of the McLatch Indians to the Legislature of Georgia, which, (so use Andrews) will worked; was aforwarded to Milicipeville to be presented at the called session of My last, but which was suppressed by the people of Milicipeville."
