THE RECORD ! .. MULLEDGEVILLE, MAY 7.

The Federal Court met in this place and proceeded to business to-day, Judge and proceeded to business to-day, Judger Jourson and Covera, presiding. But Ettle business, it is said, remains to be deculed upon at its present term.

The drawing of the Land Lottery is exected to be concluded in less than three weeks, there not now being more then six thousand prizes remaining to be drawn. — The country is represented as becoming populated every fast. The last Legislature having provided for its organization, the election for country officers in pursuance thereto, takes place this day.

We have received from a correspondent, too late for this week's insertion, an ac-count of the General Baptist Association held in Washington, Wilkes county, on the 27th uit. A very large concourse of persons is said to have attended regularly, and quite a lively interest was taken in the service. There were between thirty and forty Preachers present.

We have noticed the specimen of Paper manufactured at the Mills in South Caro-tina referred to below, and think it creditable to the enterprizing manufacturers. Were there such an establishment made

while to the enterprising manufacturers. Were there such an catabilishment made in his State, by men of industry and experience, we doubt not that it outlib be made incraise to its Proprietors as alike convenient and beneficial to the consumers, and of universal edvantage to our State by retaining in circulation a very considerable amount of money that is now sent northerdly. Times require that we begin to learn economy, and put forth our energy for our own advantage and protection. Densettle Manufacture.—Por nearly two unmine past we leave the communication of the convenience of the control of the control of the convenience of the

In remarking on the "Signs of the Times," the Editors of the Richmond Enquires thus pertinently express their sentiments, which are doubless in consonance with the feelings of a large portion of the people of the United States:

"The rigid Constitutionalist, the one-

of his people of the United States:

"The right Constitutionalist, the opponent of the Tariff, may not be able to obtain a successor to Mr. Adams, who will go all lengths with them. It is certainth Andrey Jackson, for instance, is a Tariff man—and to a certain extent, the advocate of Rands and Galank; thu term in these respects he may not be disposed.

Com. Pearra. By the sehr, Toison, Junt Hallett, arrived last evening from Martin. Coba, weare informed that letters and been received from Havane, stating hat two brigs belonging to Com. Porter's quadron had been captured by Laborde's leet.—Ib.

squadron has some letter. B. MORE GOLD.

The Salisbury Western Carolinian of the 17th inst, cenarics: "We learn that a rich, and, apparently, extensive deposite of gold, has very recently theen discovering the control of the state of the s discovered, principally subseled; in sourced (approach); a accordantion of rocks. Mr. Capps was non: Meninded possessed afreches the surface; but the netwery of the surface; but the netwery of the surface; the sur

dian of his hir were shadowy."

Two British brigs, which arrived at Botton on the 16th inst, from Birmonds with American property, not departing after being ordered away, have been size. ed. It is stated, that they may probably be released on badds to secure against the result of a frisi and final decision.

the released on bloch to secure against the result of a 'risia' and final decision.

A writer in the London Morning Herald, in comparing the expenses of the British American governments, makes the following statement:

"The annual expenditure of the United States amonus to only about 2.313,8861, werling, that is to say, to about ordinarily. The details of course, bears similar proportion. Thus, whilst our army costs eight sufficions and a put after, the U. States away, costs but 462,000. Our navy costs seem and a half, that of the United six millions and a put after the U. States away, costs but 462,000. Our civil list—namely, king, rayakfamily, noblity, and course of the Course
