October 1992 Co.

Company of the control of the con

iners.
With these preliminary observations o committee will now proceed to notice triain charges which on respectable autority have secently been urged against a committee which on respectable au-pority have recently been urged against eneral Jackson.

He is charged with having caused the secution of six militia men, for crimes committed after their term of service had

repired.

It has been said, that he remained at one after the close of the late war and harged the government with rest for his wan hoises, with hire for system of his own ervants, and with the value of his own ervants, and with the value of his own

to is accused of having left congress a retime previous to the spacement of time previous to the spacement of the Teunsess State convension, he after a property spacification in a vo-

sawe, by the provisions of which, the States of Amuscky and Tennessee ex-tended their jurisdiction to the Minissip-pi siver. These and many other impor-tant services Gen. Jackson performed at-ter the close of the very. From the sime

b.

Upon what foundation these charges a based, the committee are really at a set to understand. If they could for a conjunt where him goldy of the order fence embraced in the first charge, they er than th

Maj. General, as a sinceire, in a libel on his public services, and indicative of the most egretions lignorance in those who make or believe it.

Library of the most entering the control of the Creek Campaign, and in June following, received the appointment of Maj. General 1814, and user as who had been control of the Creek in 1814, and user as which is the close of the war. In, October 1815, having reached hashvilly the May preceding, worn down with privation and fatigue, he proceeded to the City of Washington of the Creek in 1814, and user as which is the control of the Creek in 1814, and user as which is the control of the Creek in 1814, and user as which is the control of the Creek in 1814, and in a few days after, he counted. Whilst there he was dangerously indisposed, but he returned in Pebruary, 1814, and in a few days after, he set out for the Swali for the purpose of surveying and making a personal examinity of the control of the creek in the country in the control of the creek in the country of the creek in the creek in the country of the creek in the

Charman of the Jackion Committee,

REFUS KING.

Mr. King entered into public life at an
early age. After completing in legal sturevolution in 1784, to reprise the State
of Massechusetts in the old Continental
influence, and was the invert of a propodistinguished able respected in the state
of his country. We rifer to the prohibition of always in site of Mr. Mr. Arteriory. Afterwarding in that flody to
the entire substanting of the construction
of the United States. This instrument
on the United States. This instrument
on the United States. This instrument the entire antefection of his constituents, he was slepticed by the same State to the convention which formed the Constitution of the United States. This instrument having, been prepared and submitted to the State for their rankculon, Mr. King the State for their rankculon, Mr. King with Mr. Parasous and Robert Treat Pains, to the State Convention, which gave the sanction of Massachusetta to the new constitution. In precuring this sanction, Mr. King was mainly instrumental. Objections were smaller to it in Massachis sett, as well as in N. York and Virginia Malioni were engaged in surmouning the obstacles opposed to it by the anti-field-railists of the two later States, Mr. K. was performing an act of equally vital importance to lise country, by soothing the feat sand, prejudices which operated a flag of the state wag serietet in the misster or mis course in the Course of St. Annue. Admissible to the course of St. Annue. Admissible posted in his taleous and character by Bfs. effectson, that you, his suckeding Mr. Admiss, he expressed his special desure to Mr. Kling, this he should confine to present the fif. Stateh, at the British Court, I no explaines with this request he continued until having courselets, all the mark the continued mist have been been considered to the continued mist have been been considered to the continued mist have been continued and the special course of the state of th fascure?!
committee willhow probeed to nosld charge, the object of which is
the the consistency of Gen. Jackspublicae sentiarnes. For the
of rebutting this charge, a bare
to the journals of the Senate
to the journals of the Senate ed permission to return to at from which he had been purpose of rebutting this Clarge, a here reference to the journals of the Senate during the year 227 and 'Dr. will be amply sufficient. Those who will said that he records to examine them, will said that he shout 8 years. It's patriotic sor the government suring the late w Great Britain, and the determin sacrifice party feelings, and to a

at lay his election by democratic Legislastices to represent this Scate in the United States are represented from the Scate in the United States are represented from the Scate in the United States at that a light and distinct of the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and in it 5 fee was appointed from the State, and it is stated from the State, and it is 5 fee was appointed from the State, and it is 5 fee was appointed from the State, and the other was presented from the State, and the state of the was personally from the state of the State of the state of the was personally from an active self-state of the State of the sta

children, he has descended with lamentations to the tumb. As a patrict, his couptry mourns his loss.

Our State.—No where, throughout the
wide extent of our country, has the pretry mourns his loss.

Our State.—No where, throughout the
