THE CASE OF MORGAN.

THE CASE OF MORGAN.

In a late rai, in Outers country, Nev York, of five of the pressus implicated the complicate against Bulliam Morga in which their connect admitted the a duction, but desired like clinical participation of the Large which is a subsection of a change the Large which is a subsect of the Rocks in greening by the Reporter of the Rocks ter Duily Advertiser;

honorous of the address what refer in the in-wiffernith. There is no first the extraction of the con-sistency developed of the constant ex-traction of the constant ex-traction of the constant ex-traction of the constant of the con-tinuous of the constant of the con-paring states of the constant of the con-paring states of the con-paring states of the con-traction of the Constant of the con-stant of the constant of the con-traction of the Constant of the con-cept of the con-traction of the Constant of the con-withstantian, been profitably specifically unraved this hereithe mystery. It seems to be the opinion, that of the persons collected in the address of forgus, the most guilty have great to Pa-rope, and the rest field to. Soun America

THE RECORDER.

MILLEDGEVILLE, OCTOBER 15, 180 Our tabular statement shows the r

of the election in nearly all the the state. For Governor, Mr. Forstra's majority is 13,148—For Congress, Mr. Gilmer's 8,819. Majority against a Copvention, 9,156.

The Augusta Chronicle says Mr. Charl-The Augusta Chronicle says Mr. Charlon. "As a recived" for Congress, "a majority of the votes in floo district unexpended," and that "it must convince very candid mind of the propriety of his taking the seat vacated by Col. Tattnall, in preference to one who would leave the district entirely unrepresented, or governed as it were by a minority of its citzen." For the information of those who are sat better informed, we subjoin the vote of its district referred to. (with the scenation of district referred to. I with the exception of nucle either way.) This gives Mr. Gamer a majority of S14 votes.

The trial of H. Shultz & A. Boyd, says

The trial of II. Shultz & A. Boyd, say, Cardina paper, was taken up on the 'th inst. and continued till about 90 clock at might, when the jury, after having head the fullest evidence on both sides and the region of the law clearly exponded by the short time, and returned with a verdictie manuslangher.

Their sentence is six months imprisoners and branding on the brawn of its thumb the first day of next court. Mr. Shultz is said to have made a very interesting the state of the shult in the said as very interesting the said of the

COMMERCE OF SAYANNAII.
For the year coding 30th Septuales inst, there were shipped from the Port of Savannach, via bundered and historica thousand and secenty-chree bales of Update Outcome to the Savannach was undered as the same five bundered and thirty-ribre design two hundred and thirty-ribre design to the same five hundred and fifty hogsbeads of robaccs. The whole valued at the present depressed prices, will amount to sight million for landered thousand dollars. To this may be added Lumber and other values have not been able to procure, that word greatly increase the amount of the year resourch. Contrasting the exports of the resource. cles experted, an estimate or many many means and be to procure, that and greatly increase the amount of the agreement of the proof of the first proof of the first part of the different in favor of the latter year forty-two the sand nine bundred and eight bules.
