Rather than summarize and weak-en by review, the Tribune surrend-ers it editorial space to present this realy great speech m is entirety, learning the gra-ofal introduction. It is carnestly, commenced to the careful reading of farmers and all sorts of citizens in North Georgia.

Five more new stars on the age of our country. The house has passed on the bill admitting North Dakota, South Dakota, Montanu, Washington and New Mexico as states, and it is stated that there will be a sufficient number of republicing in the senate favorable to peah it to the president for his signature.

A GREAT SPERCH

From the Rome, Ga., Tribune.

Hon. W J. Norther, "ong esteemed one of the soundest and safest of Georgia's public men. has justified a claim to gonuine statesmsnehp in the admirable at Brunswick in in the admirable at Branswick in the capacity as president of the Georgia State Agricultural society. So much sound sense in so show a space, upon so vital a typic, and addressed to so notable an audience, has not been heard in many a day in Georgia, It is the thoughtful condensation into startling facts and reasonable conclusion, of all the columns of theory, goesip and opinon which has deluged the press for the last few months in Georgia,

(COMMUNITATED.)

Tay payers and parents of children would like to rud an itemmed account of time 75.000 dollars appropriated far furnishing the new capitol, and a few of the time going to make up the 5,000 dollars appropriated for furnishing the new capitol, and a few of the time going to make up the 5,000 dollars appropriated for fiving up the grounds A bill for \$81,875.67 would be interesting reading, what was that \$60 ents for any how. Pleaty of money to speed on a capitol and grasple, but no money to educate the children that are to occupy the capitol and make laws in the future. Way is it that we are deprived of the public school money on account of there are being 25 children in a neighbo hood, when there might be twelve. If there is occupy of every 10,000 children is a neighbo hood, when there might be twelve. If there is also y of every public school money in the State, from the County school Commissioner up to the State superinsadeur, then we can see what is left to pay teachers, and why we are deprived of the judic school fonds.
