NEW MAP
OF
Georgia,

THE Subscribers have now under the hands of the Engraver in New York, a complete and splendid Map of the State of Georgia, the greater part compiled from actual survey, with all the districts carefully laid down and numbered, the whole completed with great labor and exactness from the latest and most authentic information, in a style not inferior to any thing of the kind yet presented to the public, with a table of distances from the seat of government to every county site or place of importance in the State. The districts in the new purchase and low or counties are all numbered in the corners, so as to enable a person to ascertain the exact situation of any lot of land, and will be published and finished off to the neatest manner—a part of them canvassed, varnished and put on rollers, the balance will be on thin paper nicely folded in morocco covers, and will be for sale in Milledgeville by the first of October next. Those on rollers at Five Dollars, and the pocket map of the same size at Four Dollars.

Persons residing at a distance, wishing to procure the map can do so by sending by their members, as a sufficient number of them will be kept in Milledgeville during the session of the Legislature.

Carlton Wellborn,
Orange Green,

☞ Editors in this State who will publish the above occasionally until the first of November next, will be entitled to a copy of the Map.
