

Henry Semison, Will  
Georgia

In the name of God Amen. I Henry Semison of the  
State of Georgia and county of Monroe do make and ordain  
this my last will & testament my debts being first paid I give and  
bequeath my property in the following manner.  
1<sup>st</sup> To my beloved wife Susanna I give in full right and title the  
following property, to wit Four negroes, Rachel and her three children  
Fred, Joshua and Dolly, all my house hold furniture and fixtures  
plantation tools and as many of my horses and other stock as she or her  
my executors may think it necessary for her to keep for her use and  
the Tract of land whereon I now live in her possession and under  
her entire control during her lifetime, but at her decease it  
to be divided to my children as they inherit the rest of my prop-  
erty in case my title to said square of land, does not prove  
good I gave her choice of any other tract belonging to my  
estate or any other tract of land of equal value to be paid  
out of the proceeds of my property at the discretion of my  
2<sup>d</sup> To my three children, Sarah Sophia, Robert William  
and Susanna Margaret, their heirs or assigns I give and bequeath  
all the remainder of my property both real and personal  
to be owned by them as a Joint undivided property till  
one of them becomes of age in to receive its portion at which  
time I wish it to be Equitably divided amongst those of my  
aforesaid children who may be alive at the time  
3<sup>d</sup> The Negroes herein bequeath to my children together  
with their increase I wish to be kept as a property for my  
children when they become of age but should any thing arise  
to render the property or any part of it particularly unsafe I  
wish that they may be sold and the proceeds vested as that of my  
property sold. The lands herein in like manner given to my  
children I wish to be sold as soon as a fair price can be obtained  
for them, and the money thence arising I wish either placed  
out at Interest or vested in any growing property, and the time  
manner and necessity for the execution of this article I leave  
truly at the discretion of my executors herein after appointed  
I wish the whole of my negroes to be kept together, till they  
have cleared a sufficient plantation for the maintenance  
and support of my wife and children, and till a sufficient  
and comfortable dwelling and other necessary improvements  
are made on the place; for which purpose I leave under  
part of the proceeds of my property to be used by my executors  
This being done I wish as many of my negroes as can be spared  
from the support of the children, to be hired out for their lives

...of their property the extent to which this instrument is intended to be carried I leave with my Executors - 5 I wish my children to live with their mother and to be educated in their government and direction, and at a suitable time I wish them to be sent to school and given the best education their property and prospects will justify. Should any of them be sent from home for the sake of education or improvement I wish the expenses thus incurred to be deducted from the part of each child when a division of property takes place. But for what education they may be thought necessary to acquire while living with their mother I wish the same property retained for their support to be sufficient to defray the same expenses. 6 The property left my wife I intend for her use and to enable her to keep the children I desire, as well as the negroes to be retained from year to year, as may be found necessary to their support. The negroes to be left for this purpose I leave entirely at the option of my executors. In this will I desire all the expenses of my children born while they are minors living with their mother and they are to have no means to be charged with any accounts incurred during their minority except the before mentioned expense of sending them abroad to ~~for~~ Education or improvement and any thing in violation of this article shall destroy all the advantages given to my wife by this instrument. 7 I hereby appoint as my Executors my wife Susannah and her brother Tomlinson and wish the powers given them to be liberally construed on their part so far as it may be necessary to fulfill my intention according to its spirit and meaning. Signed and sealed in the presence of us this nineteenth day of October in the year of our Lord One Thousand Eight hundred and twenty two, the signers from defect of vision of sound minds, being compelled to make his will, and the instrument being previously read over distinct in his presence
