feeling apprehensive that my dissolution is near at hand, and wishing to avoid the necessity of a settlement of my Estate and making provision for my Children through the usual course of law in this State, do make, ordain, and publish this my last will and Testament there having been no former one made -

First - I direct that so soon after my burial as may be consistent, there may be procured such a monument for myself and my dear Maria (who has just preceded me to the tomb) as may be most proper and suitable for us both - I would further direct that a neat, substantial, and plain fence be erected around the three graves after the same plan and construction as the one around the grave of Charles Adams, excepting that the brick work be not quite so high -

I would further direct - that as soon after my decease as may be consistent, my Executors will cause to be made a full and complete inventory of the stock in trade of Church & Strong, also all debts and Bills Receivable, and the value of the negroes belonging to said Estate, with all other goods and Chattels considered to be of value, also get as clear and exact an inventory of all debts payable that it may satisfactorily ascertained as near as is practicable to do so. What may belong to my Estate which said property I direct may be equally divided between my two sons, Lewis Sheldon and Robert Rodman Church, I also direct that a fair valuation be made of all my personal Effects, Furniture &c. and which if hereafter sold, will be sold expressly for the benefit of my Children, my beds & Bedding I will have reserved and kept for the use of my Children without regard to value

I also direct yet that a small piece of Real Estate situated on Walnut street the vacant half acre Lot next above the House, separated by an alley, lately owned and occupied by A. N. Freeman known as lot No 8 Square 17 in plan of the City of Macon which lot I did reside or possessed of, said lot may be sold as soon as it can be to advantage, and the proceeds be placed in the hands of the Guardians of my Children for their benefit

I do also hereby appoint, and cause my Brother in Law Lewis P Strong to be constituted the legal and proper Guardian of my two only sons Lewis Sheldon & Robert Rodman Church, having the fullest confidence in his honor and capacity to administer to all their temporal wants for their present comforts, and well being and future entrance on the stage of life, as good and upright men - I also direct that the Guardian of my Children may cause them at proper age to be instructed in all the plain and useful branches of an English Education, which will fit them for all the wants and capacities of active Life - Let them not be denied any of these branches of Education which will fully prepare their minds and habits for the counting Room Mechanics Shop or manufactory & at the same time such as may in their vocations and bring them into after life as ornaments to Society and honor to themselves and friends in a word to Clin, my desire is that they be possessed of all valuable information and sufficient Education to render this information valuable to them in after life -

Further I do direct that the said Lewis P Strong should have the power to employ any person whatever to the use and benefit of my said Estate, he allowing to the Estate the legal annual rate of interest, and also that he as Guardian of said Children will keep an account with them charging them with all paid away for them, and crediting them with such Effects as may come into their hands also charging the Estate for his
